

# ORINDA SUN

Vol. XIII, No. 29

Lafayette — Orinda, California — Friday, September 30, 1955

Ten Cents

**DRIVE CAREFULLY . . .** It's been said over and over again, and everybody seems to feel "it can't happen to me." But here are eight cars on Mt. Diablo Boulevard between the Orinda Crossroads and the tunnel who had it happen to them.

These are, for the most part, commuters all of whom had to start their day with nerves jangling and fenders wrinkled because somebody was going too fast and others were following too closely. Notice the men standing in little groups looking at their cars. Don't let it happen to you.—Sun Photo by L. John Larsen

## Moraga Center Shopping Under Rapid Expansion

By WALT JOHNSON

What was once weed-covered Contra Costa countryside is further being transformed at Moraga Center into a modern shopping district, anticipating the subdivisions that will someday cover the surrounding hills.

Donald L. Rheem, the center's owner, expects to have Charles Pharmacy, Neldam's Danish Bakery and a hardware store open by November 15, according to Ed Turk, Rheem's local representative.

Christiansen and Lyons, general contractors, have the foundation in and most of the walls constructed on the three stores. Beyond the patio group of stores on Park Street will be two large, 5000 square-foot stores, housing businesses yet to be announced. Above these will be some 700 square feet of office space to be used for medical-dental purposes.

**BEYOND**, on Park Street, will be a theater which will seat from 900 to 1000. Of the group of buildings now under construction, this will be the last to be completed, in January. A name for the theater has not been chosen. Turk estimated that the entire project will cost between \$2½ million and \$3 million. A total floor area of 24,950 square feet is represented.

Furnaces are being installed by Aladdin Heating Corporation of San Leandro. Plans for an 8000 square-foot restaurant in Moraga Center are indefinite; construction should begin next year, according to Turk.

Next door to the pharmacy on the Park Street side will be a barber shop, one of seven smaller stores which will front on a 50-foot patio. Turk said none of the other six had been leased for business as yet.

## Billion Dollar Transit Plan Will Affect Local Residents

By NORM COLBY

A revolutionary billion dollar transit system, bringing central Contra Costa County to within 35 minutes of downtown San Francisco, and "shrinking" the entire Bay Area for commuters is envisioned by a New York engineering firm.

Planners are the Parsons, Brinckerhoff, Hall and MacDonald firm, which this week laid a blue-printed scheme which may affect the daily lives of all Northern Californians, before the San Francisco Bay Area Rapid Transit Commission.

**REPRESENTATIVES** of the company have visited the Walnut Creek, Lafayette and Orinda areas recently where a poll was taken on traffic problems. From now after two years of study, they propose a development which if realized will cost more than one billion dollars and make travel for commuters and travelers quicker over large, heavily populated areas.

Recommended date for completion is 1962. **POSSIBLE** within seven years, they say, is a network of "under-the-bay" tubes, and fast train transportation underground, overground and on the ground level, forming main lines of communication north and south, east and west in nine proximate counties.

A trans-bay tube is seen which would connect San Francisco and Oakland, making them only 11 minutes apart (instead of 45) and extending through a tunnel in the Oakland-Berkeley hills east to Walnut Creek, Lafayette and Orinda, terminating in Concord.

This is but one phase of an overall plan which the New York engineers feel is necessary to

## Separate Drives On Dues, Voting, Board Decides

The Orinda Association's annual membership drive and election of directors will be conducted separately this year, the association board decided Monday night.

Meeting in the Orinda School auditorium, the directors approved a recommendation of the Civic Affairs Committee that this procedure be followed.

The Civic Affairs recommendation, reported by Civic Affairs Chairman Paul Pollaczek, was based on a suggestion which had been made by Association President Robert Boyle.

Vice-President Frederic A. Sawyer conducted Monday night's meeting, in the absence of Boyle. **SAWYER REPORTED** that Boyle will write a letter to be distributed throughout the community, outlining the accomplishments, objectives and problems of the association.

This had been suggested by the Civic Affairs Committee. Sawyer asked Carolyn Harrison, association secretary, to serve as liaison between the Civic Affairs Committee and the association board in the two drives.

It is expected that an intensive membership drive will be conducted from November 1 to 30 and that nomination of directorship candidates will begin around November 21 or earlier, so that election can be held before December 15.

Pollaczek reported that he has named Bill Thurston, Jim Denning and Harold Caldwell to serve as a nominating committee, with Thurston as chairman.

**ON MOTION** of Harold Rote, seconded by Mel Arighi, the board voted that a complete financial report for the association be made at the next regular board meeting.

The board also approved a motion by Rote, seconded by John Ogden, that all committee chairmen make complete financial reports to the treasurer (Ogden) by two weeks before the regular October meeting.

October 10 was agreed upon as tentative date for a joint meeting of the board, the Civic Affairs Committee and presidents of neighborhood organizations, to discuss problems of Orinda Association finances and membership. This would be an extra session for the Orinda Association board.

Five new directors are to be elected this year for two-year terms. The new directors will replace five whose terms are expiring the end of this year — Boyle, Ogden, Rote, Jean Henderson and John Conley.

## Mercury Moving Down Glass Tube

Comparatively crisp weather, characteristic of football season, seems to have taken up residence for the season in Orinda.

Wednesday was low for the week at 67 degrees. This marked the bottom of a steady decline from the weekly high of 87 degrees Saturday.

Here are the temperature readings:

	High	Low
September 22	76	44
September 23	76	48
September 24	87	42
September 25	84	42
September 26	82	39
September 27	75	39
September 28	67	49

## 15-Year-Old Girl Killed By Runaway Auto in PH

A 15 year-old girl student at Pleasant Hill High School was struck and killed by an out-of-control automobile only a few blocks from the school grounds Wednesday afternoon as she was walking home.

Dead is Janice Bacigalupo, daughter of Mr. and Mrs. Irv Bacigalupo of 105 McKissick Street, Pleasant Hill.

**DRIVER OF THE CAR**, a 15 year-old Pleasant Hill boy who had no driver's license, told California Highway Patrol officers that he had taken his father's new two-door sedan without permission that afternoon, and was "riding around the area in it."

The tragedy occurred as the car moving north on Patterson Avenue at about 55 miles per hour, by the officers' estimate, took a sharp turn west on Roberta Avenue, splashed through some puddles of water overflowed from lawn sprinklers, and skidded out of control.

The girl, a sophomore at Pleasant Hill High, was walking west on Roberta Avenue on the south side of the street facing traffic, and didn't have time to turn around before the car struck her from behind, dragging her for nearly 25 feet.

**WITNESSES CALLED** the Walnut Creek Ambulance Service, which took her to the Kaiser Hospital, where she was pronounced dead on arrival at 3:35 p.m.

A coroner's report said that she died of "gross bodily injuries," probably minutes after she was hit. The body was taken to Hull and Sons Funeral Home in Walnut Creek.

School authorities today told The Sun that Miss Bacigalupo was a "fine girl, friendly, and well-liked by all her classmates."

**THE BOY, WITH HIS PARENTS**, was interviewed today at the Contra Costa Juvenile Probation Department. Further action will depend on the outcome of these interviews, according to John Davis, supervisor.

## Kaiser Hospital Commended for High Standards

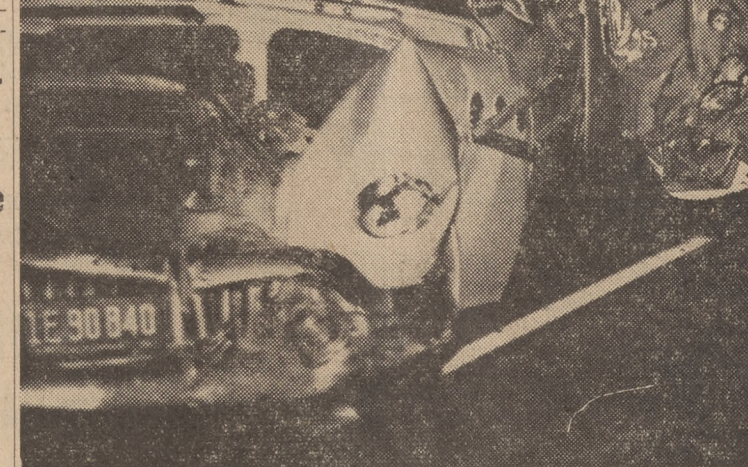

The new Kaiser Foundation Hospital in Walnut Creek has officially received full accreditation by the Joint Commission on Accreditation of Hospitals for maintaining high standards of good hospital care during the year according to Donald Nesbitt, administrator of the hospital.

Accreditation was received after an evaluation of the hospital's facilities and staff organization by the Joint Commission's field representative, Dr. T. H. Reagan.

John Harbell, associate in economics at the University of California, spoke on his experience in the Middle East before the Wednesday luncheon meeting of the Orinda Rotary Club at The Willows.

He resided in Lebanon for several years, doing research work. Harbell outlined for the Rotarians the political and economic systems of Egypt, Iran, Iraq, Jordan, Israel and Saudi Arabia.

George Dodge was the day's program chairman.

**APPARENTLY CROSSING** to the wrong side of Mt. Diablo Boulevard, 110 feet east of Village Center, at 1 a.m. Saturday, Riddelle L. Gregory, 2765 Highland Avenue, Lafayette, traveling west, collided with a car driven by Donald R. Spann, 27, 3190 Meadowbrook Drive, Concord. Spann, in turn, collided with Alvin G. Mangini, 26, 3611 Chestnut Street, Lafayette. Spann and Mangini were going east. The 1950 Buick on the left is Mangini's, the Volkswagen panel truck is Gregory's, and the 1951 Mercury

# Bus Turnout Project To Be Underway Soon

## \$58,034 Low Bid Received For Project at Interchange

By JULIUS ROSENTHAL

With receipt of a \$58,034.60 low bid from Watkin and Sibbald of San Anselmo for the job, construction of a bus turnout and related facilities at Orinda Interchange is apparently assured, Assistant District Engineer H. S. Miles of the State Division of Highways stated yesterday.

Miles, at the District IV office of the Highways Division in San Francisco, said that awarding of the contract by the state director of public works is expected "any day now."

Bids were opened September 21 by the State Division of Highways in Sacramento. Miles explained that before the actual contract-awarding can occur, attorneys must inspect and approve the favored bid.

Only other bidder was Gallagher and Burk of Oakland, with a bid of \$59,657.

The assistant district engineer estimated that it would be "late next month" before start of construction and that actual work on the project would take "a couple of months, anyway."

**THE PROJECT** will be located within the northeast cloverleaf of the interchange, just east of the bridge over the underpass. It would serve westbound buses, for loading and unloading of passengers.

Plans call for a bus turnout (by means of a parallel road), roadside development (planting and landscaping), lighting modifications and erection of a small maintenance building where the gardener will keep tools and supplies.

The area will be fenced off as a safety precaution. Miles said Allocation of gasoline tax funds by the state for such purposes is made possible by recently enacted state legislation, Miles explained.

**AFTER THE** turnout area is completed by the state, erection of a bus-waiting shelter by area groups will be possible.

It will be entirely up to private citizens and groups," Miles stated. Perspective for the bus-waiting shelter was discussed by the Orinda Association board Monday night at its meeting in the Orinda School auditorium.

**JOHN OGDEN** mentioned that \$575, the proceeds from the disposition of the old bus shelter at the Crossroads, is "still available" for a new shelter and that the matter is now entirely in the hands of the Commuters Association.

"Nothing can be done on this until the state constructs the bus turnaround," he pointed out.

Orinda Association Vice-President Frederic A. Sawyer, conducting the meeting in the absence of President Robert Boyle, asked Ogden to serve as liaison with the Orinda Chamber of Commerce and the Contra Costa County Commuters Association on this matter, so as to keep the Orinda Association informed on developments.

**THE OLD** bus shelter was located on former Shell service station property at the northeast corner of what was the Crossroads, at Mt. Diablo Boulevard in front of the Pine Grove.

Donations of money, material and labor by local citizens resulted in erection of that structure. The Commuters Association and the Orinda Chamber of Commerce helped coordinate the efforts. Shell Oil Company allowed use of its property for the purpose.

Ever since the old shelter had to be removed because of the freeway interchange project, local commuters have been looking forward to the day when another bus shelter, at a bus stop acceptable to the state, can be built.

on the right is Spann's. Gregory was cited by the Highway Patrol for driving on the wrong side of the road. Taken to Kaiser Hospital, Walnut Creek, by W. B. Pomeroy of the Walnut Creek Ambulance Service were Spann's wife, Barbara Mae, and Gregory. She suffered bruises and cuts; Gregory had severe lacerations about the face. Nine-month-old Donald Spann luckily escaped injury.

## Greyhound Adds New Commute Bus To Oakland Run

An additional commute bus to Oakland was added this week to Pacific Greyhound's schedule as a result of efforts of the Contra Costa County Commuters Association to improve service in this area.

According to Leroy Sowers, president of the Commuters Association, the bus leaves Walnut Creek at 7:45 a.m., arrives in Lafayette at 7:51 and reaches the Oakland bus depot at 8:30.

**AT ITS DIRECTORS'** meeting last week, the association announced the final summary of its recent traffic survey.

Of the 1280 cards distributed to commuters, 910, or 71 per cent, were filled in and returned.

The survey shows that 78 per cent of the commuters to San Francisco prefer to arrive there between 7:30 and 8:25 a.m. At night, 81 per cent prefer to take a bus at Folsom and Essex Streets between 4:30 and 5:25 p.m.

**WITH REGARD** to Oakland commuters, 84 per cent prefer to arrive at the Oakland depot between 7:30 and 8:40 a.m., while 69 per cent prefer to leave for home between 4:30 and 5:40 p.m., according to the survey.

As for Berkeley passengers, 88 per cent must arrive in Berkeley between 7:45 and 8:25 a.m., while their preferred departure time is between 5:15 and 5:25 p.m., the survey shows.

## Narcotics Theft In WC Pharmacy Alerts Deputies

Law officers are looking for a gang which broke into the Highland Pharmacy here last Friday, and looted it of more than \$2000 in narcotics and drugs, and are suspected of two similar capers in Lafayette, also early that morning, between 2 and 4 a.m.

In all three break-ins, the thieves used glass cutters to make holes in plate glass windows and doors in front, and smashed larger openings through which they entered.

At the Highland Pharmacy, located at 2353 Mount Diablo Boulevard, they took the narcotics, \$40 from the cash register, and cigarettes valued at \$32, according to Manager Frank Burkett, 85 Margaret Drive.

The Lafayette Pharmacy of 3547 Mount Diablo Boulevard, reported the theft of nearly \$100 in cash and some clocks. Attempts were made to enter the Lafayette Auto Supply at 3477 Golden Gate Way, but sheriff's deputies surmised that they were frightened away.

## Accused Check Artist Captured

Police in Modesto are holding a man charged with passing a \$20 worthless check at Arthur's Legion Store, 1315 Main Street.

A complaint against Richard B. Jones, 420 Redwood Avenue, Modesto, was signed in the local police station by Chester Arthur, proprietor of the store, allegedly visited by Jones last August 29.

Another check, this time for \$10 and signed by Jones, is being held at the Walnut Creek Cleaners on Main Street, since the Modesto Bank of America reported "no funds."

#### LEGAL NOTICE

**OFFICIAL NOTICE OF SALE OF SCHOOL DISTRICT BONDS**  
NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of Contra Costa, State of California, at the office of the County Clerk and ex-officio clerk of said Board of Supervisors in the Hall of Records, City of Martinez in said County, California, on Tuesday the 11th day of October, 1955, at the hour of 11 o'clock A.M. for the purchase of bonds of Alcalanes Union High School District, of Contra Costa County, State of California, more particularly described below:

**ISSUE:** \$300,000, 1952 School Bonds, Series E, consisting of 360 bonds of the denomination of \$1,000 each, numbered E-1 to E-360, inclusive, all dated November 15, 1955. Said bonds are part of an authorized issue in the aggregate principal amount of \$1,500,000, of which \$320,000, designated Series A, have heretofore been issued and sold, and the unissued portion thereof is now outstanding, and \$300,000 principal amount, designated Series B, have heretofore been issued and sold and the unissued portion thereof is now outstanding, and \$400,000 principal amount, designated Series C, have heretofore been issued and sold and the unissued portion thereof is now outstanding, and \$100,000 principal amount, designated Series D, have heretofore been issued and sold and the unissued portion thereof is now outstanding.

**INTEREST RATE:** Maximum five (5) per cent per annum, payable annually for the first year on November 15, 1956, and semi-annually thereafter on May 15 and November 15 in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent per annum, payable as aforesaid.

**MATURITIES:** Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

\$20,000 principal amount of bonds of Series E shall mature and be payable on November 15 in each of the years 1956 to 1973, both inclusive.

**PAYMENT:** Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

**REGISTRATION:** Coupon bonds will be issued by said Board of Supervisors on behalf of said School District. Such bonds are registrable only as to both principal and interest.

**PURPOSE OF ISSUE:** Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on March 25, 1952 and will be issued and sold for the purpose of raising money for authorized school purposes.

**SECURITY:** The bonds are general obligations of said School District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said School District, subject to taxation by said School District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

**TAX EXEMPT STATUS:** In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Internal Revenue Service or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

**LEGAL OPINION:** The legal opinion of the following firm, approving the validity of said bonds, will be furnished to the successful bidder without charge:

**ORRICK, DAHLQUIST, HERRINGTON AND SUTCLIFFE, ATTORNEYS AT LAW,**  
405 Montgomery Street, San Francisco 4, California.

**TERMS OF SALE**  
**HIGHEST BIDDER:** The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity dates thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

**RIGHT OF REJECTION:** Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

**PROMPT AWARD:** The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given the Board of Supervisors notice in writing of the withdrawal of such proposal.

**PROMPT DELIVERY:** Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 30 days from the date of sale, but not before November 15, 1955.

**RIGHT OF CANCELLATION:** The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

**FORM OF BID:** All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of Alcalanes Union High School District, of Contra Costa County."

**BID CHECK:** With each bid must be submitted a certified check or cashier's check for \$18,000, drawn on a bank or trust company, drawing transacting business in the State of California, payable to the order of the County Treasurer, to secure said School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. (But not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices and the Board of Supervisors will deliver to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the bonds.

Dated: September 13, 1955.  
W. T. PAASCH,  
County Clerk and ex-officio Clerk of the Board of Supervisors of Contra Costa County, State of California.

By: E. M. Montanari, Deputy.  
O-586, Orinda Sun, Sept. 23, 1955.

## A Room Mother Can Solve Problem

If Susie comes crying because she has lost the latest notice from school — or if Mike and Pete prattle on incoherently about some school project and it doesn't make sense, look to your Room Mother.

As a liaison between the classroom and the mothers, she knows all the answers as to what is going on at school. Locate your Room Mother (or Mothers as the case may be) on this list and you'll do well to write the phone number down, too.

Phone numbers that follow have Clifford prefixes, except where DRake is specified.

Room Mother Chairman is Mrs. Thomas Raymond, DR 6-8952.

**BATTERY CHECK**  
Rapid exaporation during hot weather causes the solution in an automobile battery to dry up faster than at other times. It's a good thing to have it checked each time you get gasoline during the warm months.

## Pat Foster Is Canyon Club's New President

Canyon Community Club's first meeting was held recently at Canyon School. New officers for the coming year were presented.

They included: Mesdames Pat Foster, president; Helen Logsdon, vice-president; Lola Keis, secretary; Gladys Shally, treasurer; Ruth Seeds, publicity chairman; Barbara Wells, scrap book; and Dolly Waldrup, hospitality.

Sally Waldrup, retiring president introduced new members, Mr. and Mrs. John Ware.

Leaders of the Boy Scouts, Cub Scouts, Camp Fire Girls and Blue Birds announced that their groups would resume activities. Mrs. Pearl Goss will assume leadership of the Camp Fire Girls.

Last Sunday was the school's annual work day. A pot luck meal interrupted general repair and cleaning of the building.

A combined pot luck dinner and bazaar will be held October 15 at 6:30 p.m. at Canyon School.

## Million Dollar Transit Program Affect Area

(Continued from Page 1)  
San Francisco as a series of future district centers where "... quite large business centers are indicated..." All are expected to eventually expand to Berkeley's present size.

The "Minimum Plan" was also mentioned as an alternative, costing less, utilizing the present trans-bay traffic system, and improving the outlying lines of traffic along the above lines.

"A great new city is destined to develop in the vicinity of Concord, to serve the overwhelming expansion occurring there," states the report soon under study by the commission. It adds that their sub-regional centers will be at San Jose and in Petaluma or Santa Rosa.

The difference between the "Optimum Plan" and the "Minimum Plan" is measured in millions of dollars — as it is estimated that it will cost \$71 millions to build the trans-bay tube, between Washington Street in San Francisco and a portal at the Southern Pacific Mole, and only \$5,800,000 to improve facilities on the Bay Bridge, or \$8,200,000 for a suspension system, as a monorail.

THERE ARE SEVERAL other major phases, including a main north-south line joining Richmond, Albany, Berkeley, Emeryville, Oakland and other points in southern Alameda County, and new systems in downtown sections of both Oakland and San Francisco.

Planned is a peninsula line south through Daly City to Palo Alto, and a Marin County line below the highway deck of the Golden Gate Bridge through a tunnel in the Marin County hills to a point between the Hamilton Air Force Base and San Rafael.

Like the spokes of a wheel, the system would join outlying areas to metropolitan centers of San Francisco and Oakland.

**Now You Can Help the Most**  
This year our community is a part of the largest single citizens' effort in the Bay Area—the five-county United Bay Area Crusade. Through your gift to United Crusade you are supporting over 90 per cent of all voluntary health and welfare agencies in the Bay Area—you fight disease, support medical research, provide counsel for people in trouble, bring help to those stricken by disaster, and extend a friendly hand to distressed travelers and to service men away from home.

Now everybody in the community benefits from your One Big Give.

**VARIED ATHLETICS** are part of the Orinda School District's annual recreation program. An eager group at the grounds of Orinda School includes, left to right, Steve Brush, Jud Carter, Barbara Brush, instructor Robert Sherman and Terry Coleman. The athletic play takes place at the playgrounds of all four schools after school. Craft classes are held Saturdays—from 10 to 11:30 a.m. at Orinda School for Orinda and Sleepy Hollow School students, and from 12:30 to 2 p.m. at Glorietta School for Glorietta and Del Rey School students. The entire program is under supervision of Frank Isola, district physical education director.—Sun Photo by Mattson

George A. Bauslaugh, your Telephone Manager in Orinda

## School children visit "Telezonaria"

If your youngsters should come home from school some day soon talking about a fabulous land of puppets, here's what it's all about. An entertaining color motion picture called "Adventure in Telezonaria" is now available to the elementary schools in this area. The movie is part of a special kit we telephone people have worked out at the request of teachers and with their assistance.

We lend the kit to schools to help children learn how to use the telephone correctly. This is important. For the kind of telephone service you enjoy depends a lot on the way you and others use the phone. So the good telephone habits "Telezonaria" is teaching school children will help make telephone service better and more useful for everyone. Pacific Telephone works to make your telephone a bigger value every day.

**Away-to-school days needn't "break up" a family**

Maybe there's a young man or woman in your family who's going away to school this fall. If so, you can still stay in close personal touch with each other, you know. For it takes just moments to travel from home to campus, or campus to home, by telephone. And a quick glance at the rates in your telephone book will show you how little it costs. Why not let low-cost long distance make family reunions a frequent event during the school year ahead.

**Now You Can Help the Most**

PARADES ARE FINE and thousands gathered on Main Street Sunday to watch the spectacle. Here is the Walnut Festival Association float decorated with . . . naturally, queen Kathy Terry and her attendants. —Sun Photo by L. John Larsen

UP AND AROUND, and if you're still a youngster, or at least young in heart, this sort of amusement really captivated you at the Festival. This Octopus was really pretty fast when the picture was taken. —Sun Photo by L. John Larsen

A WINNER WAS this float entered in the Walnut Festival Parade by the Diablo Valley Area Girl Scouts. They portrayed girls of many lands. —Photo by Groth Brothers

### Church 'Frontier Festival' Will Be On Tomorrow

Record crowds are expected to arrive tomorrow noon when "Frontier Festival" activities begin on the grounds of the Orinda Community Church. Delicious barbecued hamburgers will be served to the festival fans arriving for fun and entertainment. The entire community is invited to attend.

Master of Ceremonies J. W. Davison announces that prizes will be awarded at 1 to the children appearing in the most original frontier costumes. At 2 there will be an auction of fabulous "white elephants." Mrs. G. Dible of Lafayette will be the auctioneer.

### About Our Happy Country Folks

By EDITH BOLMAN

Dali comes out with some gems

Tears of pear shaped diamonds—bleeding hearts of pear shaped rubies—sparkling eyes of pear shaped sapphires—drops of pear shaped emeralds (all this the real McCoy, mind you) and a beating heart (negotiated by battery inside the works, no doubt) paved with myriads of just plain, everyday, common garden variety, regular-cut rubies. Splendor and magnificence of craftsmanship beyond imagination—well, nobody but Salvador Dali could have thought up most of that.

This was the jewel exhibit by Dali at the Legion of Honor and, as we stood there, flanked by our teen-age friends, we made a perfect picture of toothy naivete from the country. There was versatility too—Dali's—certainly not ours—as shown by his quick switch from a little finger ring in the shape of a snail studded with sapphires to another ring made like an old fashioned corset with pearls for the lacing hooks. Then, of all things, a bas relief of Tristan and Isolde holding a goblet created from one great whopping garnet topped with diamonds—looking for all the world like something Byrne Jones might have done if he had ever been able to afford that big a garnet. If you missed it—too bad.

### Suburbia Scribblings

By MARIE MONAHAN

COUNTRY CAROUSEL . . . Braving the cold, a few still-tanned shoulders were bared at Lombardy's Barbecue at the Country Club Sat. nite, but the sartorial pattern in general was set by September, the month that belongs neither to Summer nor Fall, but in-between someplace. Hence the evening fashions were equally divided and diversified. In the happy chattering throng—Beverly and Marvin BONDS, Virginia and Paul STAFFORD, Marty and Frank GILLESPIE, Natalie and Bob WILLIAMS who shared a table w/Jean and Warren DEXTER . . . Backed up to the brazier for warmth, the Bill FIZETS, Bob PRIDEMORE, Ronald LIGHTS, Bob Lymans, Bill COURTRIGHTS and huddled under heavy wrapping toward the end of the evening, the Art SCHWATKAS, Fred BUSSES, Mel COLWELLS, and Jane and Bob CREIGHTON who assembled a good-sized gathering at their home ahead of prelude-potables. Joe ZABLOCKI gentlemanly swapping his sportcoat for Betty's stole and doing most of the freezing in the family.

Another conviviality engineered by Barbara and Glenn CARTER when 34 couples capered at the Carroll Ranch at the annual Meadow View Block Party last Sat. nite . . . Everyone brought their own steaks which were barbecued by the Men of the M.V. Menages . . . Newcomers to the neighborhood, Fran and Kay Watson welcomed by Patty and Joe GLARDY, Maggie and Brooks WALKER, Bob and Helen PELZ, to mention but a few.

The above social dispatch courtesy of Yvonne Block who attended w/Jack although the BLOCKS claim to live "on the other side of the street" . . . which reminds us that the old-timers used to refer to the Country Club Side of the Village as the "four-bit side" and the opposite hillside as the "two-bit side" . . . This expression, dating back some 15 years, we haven't heard lately possibly due to inflation!

WEEKEND KALEIDOSCOPE . . . Squaw Valley weekenders were Ray and Lois HEYWOOD who got in some golf . . . A Reno junket for Abe and Nona DODD who did the Little Big Town w/all the trimmings in a record 6 hours on a Harold's Club Flight fostered by the Oakland Lions. They came back to the good, too, so maybe those billboards aren't spoofing!

Football Fans incl. John and Lo GLASCOCK at the Cal. III. Game and Stella and Bob BOYLE in the bleachers for the Forty-Niners on Sunday.

Among the Opera-Goers for der famous first-night of "Der Rosenkavalier" were Mrs. Sid KROFF, the K. B. ANDERSONS, Dr. and Mrs. Wallace NEIGHBOR and Peg WINTERS who attended w/the fabulous Lafayette flutist, Mr. Thomas Hageman and his wife who, this fall, will sing some operatic leads herself. Ellen KROFF to Don Giovanni tonight as well as the ANDERSONS who have season tickets.

Shaking the sleep from their eyes to watch in wonder the Snow Queen Ballet in "Song of Norway" at Westminster Fri. nite were young ladies SUSAN SCHILLING, Laurie HUPP, Megan MONAHAN and Sylvia HOSW.

DEER SEASON LURED many red-capped Orindans away . . . Home cometh the Hunter to Bobolink Rd. and now the L.G. MORRIS family have a good supply of venison for winter barbecue. Mr. Morris finished up a Strawberry Lodge-stay by victoriously bagging a Big One last Saturday, dressed weight 85 lbs. Not so lucky were Harriet and Gordon AINSWORTH who hunted in the Mendocino Forest. They didn't even SEE a deer! Joe LONGACRE of La Fond Lane, fared better, bagging one at Grass Valley over the weekend and now the Longacres' larder, or freezer, is full!

The Robert LESTERS of Las Palomas piled nine classmates of Robbie's into their station wagon Saturday for a trip to SF and a B-day-Viewing of CINERAMA HOLIDAY . . . The parking-lot attendant, doing a double-take when the ten boys "fell out" as boys usually manage to do when disembarking a car. It was a big day for all, the party complimenting Robbie who reached the ripe old age of 10!

MT. HOOD'S first freshly-fallen snow viewed close at hand by Mrs. George HICKOK on a recent flight to Portland to visit w/her brother . . . the trip also occasioned a meeting w/former well-known Orindan, Mrs. Neil CHAPPELL and her daughter.

DOMICILE DATE . . . Bill and Libby BROCK studying sketches in anticipation of a new and VERY contemporary home to house their big brood . . . When the Don WOODCOCKS new home is finished, Pat will resume Hawaiian Dance Lessons in the new rumpus room!

Lid and Kirk MILES are billeted back in their LaPlaza place after a year's absence in the East . . . Fred and Elva RUST came home last month after a year in Holland . . . New householders here, the AL DE GRASSIS, off Miner Road, and the Raymond FONTAINES, who bought the Goldsworthy home on El Toyonal, all having moved from Berkeley.

Bob and Betty MANLOVE, who leased here and liked it so much, are now ensconced in their new home which is nearing completion on its last load of lumber . . . The Merrill OLSENS will soon get their mail in Orinda again, on Ardis Rd., while the Charles MERILLS and their four sons, formerly of Lafayette, are new Canon-Dr. dwellers . . . A built-in Big Brother, age 2½, for the new Robert Henry, born Sept. 16th to Ann and Henry STRICKLAND.

The spacious and gracious new home of Lola and Frank TEBES at 59 La Espiral will be the setting for an October 13 benefit for the Enchanted Hills Camp for the Blind. Bring that old brass birdcage or dust off that unused crystal vase and come for tea and coffee from 1 o'clock through 4:30, your white elephant being the only price of admission.

DOMESTIC NOTE . . . Latest innovation for the shampoo-shriekers w/credit going to son Chip, aged 8, who couldn't stand the bathroom squalls of his young brother. The WATER goggles work wonders and nary a sud in the eye!

### Inside Glenside

By BETTY NOACK, AT 3-3706

BUSY SEASON

Swinging into a busy Fall Program with Girl Scouts are the following troop leaders: Annabelle Lotter is intermediate Girl Scout troop leader, Annabelle Lotter is intermediate Girl Scout troop leader, Annabelle Lotter is intermediate Girl Scout troop leader.

Ginny Neuman, president of the Santa Maria Branch of the Providence Hospital, is entertaining the group at a BBQ Party tomorrow. Members from Glenside are: Kay Pekete, Barbara Markstein and Jan Pulford. Kay Pekete tells us that daughter Diane won a 4-H national award in the dress fashion division.

Among those assisting as sponsors for the Grobe social dance, Mrs. Walter Meima, Mrs. Everett Lamphere and Mrs. Alen McDonald.

The following Glensiders went into a "previous luncheon" at Pat Alton's new home in San Leandro: Hilda Anderson, Josephine Money, Martha Biler, Ruth Almendinger, Ruth Braden, Phyllis Youngman, Dorothy Easton, and Jean Schiedermayer.

GUEST CRITIC

Eleanor Silverman was guest reviewer at a benefit book review tea for the youth building in the proposed Lafayette Community Center, at the home of Lee Kerns on Las Trampas Road. Among the three dozen guests were Ann Nielson and Martha Boler. Girl Scout Troop 129 started off its fall program with a visit to the Art and Garden Show at the Valley Art Center.

Enjoying the tour were: Marsha Bratten, Barbara Darmstead, Carol Sue English, Ann Lombard, Lois Martin, Nancy Nimmo, Susie Nowland, Patty O'Neill, Nancy Noack and Nancy Waldman.

Membership Chairman Sue Hill was kept busy last Tuesday evening with the "record breaking" attendance at the first Burton PTA meeting.

Glenside is full of football rooters these days—adrenal Stanford rooter is Bob Roberts, who has just entered Stanford as a freshman—Joanne Money and Paula Colvin are among the freshmen cheering for Cal. Glenside has some mighty promising football material (to borrow from the sports page). Coming up on the Acalanes varsity are Wayne Holister, Alan Sutton and Richard Markstein; out for junior varsity is Dick Neuman, and among those trying out for the freshman squad are Bill Ulrich, Joe Lipold, Stan Hollister and Jim Merkle.

MODELS TOMORROW

Sally Clark will be among those modeling at the Job's Daughters, Bethel 218, fashion show tomorrow. Mary Souza held an "afternoon of music" by her pupils yesterday.

Humboldt, Trinity, Glenn, and parts of Siskiyou, Shasta, Tehama, the northwest tip of Butte, and Colusa County within the Mendocino National Forest, where two bucks are allowed.

All bucks must be forked horn or better, except in Modoc, Lassen and eastern Siskiyou and Shasta Counties, where three points are required.

### Go to Church Sunday

Lutheran

The Rev. Edward R. Andersen, pastor of the Shepherd of the Valley Lutheran Church, will preach on the sermon theme, "Received of the Lord" this Sunday at both 8:15 and 11 o'clock services.

Holy Communion will be celebrated at both services in spiritual fellowship with all Christian churches throughout the world on this World Communion Sunday. On this one day all Christians are encouraged and invited to communion together as a demonstration of Christian forgiveness and brotherhood.

The Sunday School children and parents of the adult class conducted by the pastor meet from 9:30 to 10:30 with a class period and worship service. Starting at 1 p.m. there will be a Sunday School Congregational Picnic at Mountain Boulevard in the Montclair district.

Children of the Sunday School, parents, members and friends are invited to bring a picnic lunch, ice cream, pop and coffee will be served. There will be games, races and contests for the children and a ball game for the adults.

Adult Bible Class will have its first meeting this Wednesday evening at 8 o'clock at the Church. This class will continue each Wednesday evening for those who are interested in advancing their study of the Bible. The class will open with a lecture period after which time will be given for discussion. Future members, interested friends and others are invited to join this class. No enrollment fee is required, and you purchase only the books you wish.

Presbyterian

This Sunday is World Wide Communion Sunday and the topic of the sermon by the Rev. W. Carl Thomas will be "New Testament Communion." Plan now to attend either the 9:30 a.m. service or the 11 a.m. service at Lafayette's Park Theatre. There is a nursery provided for infants up to two years at the Ray Dear home, 1105 Laurel Drive, for the 9:30 service. Toddlers and kindergarten nursery for the 11 o'clock service is at the Lafayette Town Hall.

Sunday school classes are held at the Lafayette Town Hall for two year olds and older at the 9:30 service.

Don't forget the Family Conference at beautiful Mount Hermon in the Santa Cruz Mountains on October 21, 22 and 23. Anyone wishing to know more about the conference, should contact Mrs. James Roberts, 216 Ivy Drive, Orinda, DR 6-4624.

The Lafayette Valley Estates and St. Mary's Estates potluck will be held tonight at 7 p.m. at the home of Mr. and Mrs. Joseph Roper Jr., 458 Florence Drive, Lafayette.

The fourth exciting color-sound film on the marvels of nature and science will be "The Hidden Treasures" and will be presented at 8 p.m. at the Lafayette Town Hall Sunday evening. No admission charge. Everyone welcome.

Lutheran

Pastor Merle Tollefson of Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, will preach on the sermon theme, "Received of the Lord" this Sunday at both 8:15 and 11 o'clock services.

World wide communion service will be celebrated. At 7 p.m. the Senior Luther League will meet. Monday at 8 p.m. the adult inquiry class will meet with the pastor for a new series of classes on what the Lutheran church teaches. These classes are open to all who would like to come and learn.

Tuesday at 8 p.m. the board of trustees will meet. Wednesday evening the Adult Bible Class meets with the pastor to continue its study in the First Letter of Paul to the Corinthians. Thursday at 10 a.m. the Women's Bible Class continues in the study of the Gospel of Luke. Saturday at 10 a.m., the Junior Confirmation Class will hold its first meeting at the church. This class is open to all seventh graders.

Community

Worldwide communion service will be observed at both services of the Lafayette Community Methodist Church Sunday morning. The Rev. Chester R. Lewis, pastor, will speak at the 9:30 and 11 o'clock services. His topic will be "Christianity and Our World."

The adult choir, under the direction of George Shoptaugh, will sing at both the Sunday morning services. Josephine Shoptaugh is the organist.

Sunday School is at 9:30 a.m. Sunday, and the youth groups will meet at 7 p.m. in the church lounge.

The Official Board will meet at 8 p.m. Monday in the lounge, and the Commission on Education will meet Wednesday at 8 p.m. in the lounge.

The executive board of the Women's Society for Christian Service will meet at 10 a.m. Wednesday at the home of the president, Mrs. William Shelly, on Moraga Boulevard.

Episcopal

On the 17th Sunday after Trinity the services at St. Paul's Church, Walnut Creek, will be as follows: 8 a.m., Holy Communion; 9 a.m., Morning Prayer and Church School; 11 a.m., Holy Communion and Church School. The Rev. Wilfred H. Hodgkin will preach at 11 on "The Spirit and the Letter."

Chi Rho Club (senior high school) will meet at the Church at 3 Sunday afternoon to go to St. Paul's Church, Oakland, for the Fall Rally of the House of Young Churchmen.

Community

The Rev. Willis E. Wygant Jr. will speak on the topic "Why Go to Church?" Sunday at the Orinda Community Church 11 a.m. service at 10 Irwin Way. Sunday School is at 9:30 a.m. Youth groups will meet at 5:30 and 6:45 p.m.

### Inland Deer Season Is Now Open

Arrival of Northern California's first fall storm has brightened prospects considerably for the inland deer season, which opened last Saturday in all of the state not included in the earlier coastal season.

Department of Fish and Game wardens and other field men report deer in good numbers in most areas. The added moisture is expected to improve hunting conditions.

The storm also helped reduce the extreme fire hazard situation which had existed.

HOWEVER, strict observance of all fire precautions will still be insisted upon throughout the state.

Already two hunters in the September 10-19 inland archery season have paid \$500 fines for failure to properly extinguish a campfire.

Closing date for this year's six-week regular deer season is October, except in Inyo and Mono Counties, where the season will end October 23.

BAG AND possession limit for the inland season is one buck in all of the state except Del Norte,

## Bridge Sessions Begin Next Week

There's a chance for all Orinda women who have been attending bridge lessons to put into practice all the little tricks and techniques they've been learning, when the Orinda Mothers' Club Bridge sessions get under way next week, it was announced by Mrs. Edward Patterson, bridge chairman.

Mother's Club bridge sessions are held on the first and third Thursday and Friday of each month. In the past, there have been two morning sessions and one afternoon session, but this year, anticipating a larger turnout of bridge addicts, an additional Thursday afternoon session will be inaugurated.

The following Orinda hostesses are holding the first parties: Thursday a.m. at the home of Mrs. J. Nedderson, 254 Overhill Road; Thursday p.m. at the home of Mrs. L. G. Patton, 212 Longview Terrace; Friday a.m., October 7, at the home of Mrs. E. Patterson, 9 Douglas Court, and Friday p.m., October 7, at the home of Mrs. P. Cattolica, 4 Robert Road. The a.m. bridge sessions are 9:30 to 12 noon and the p.m. sessions are from 12:30 to 3.

Mother's Club bridge parties serve a twofold purpose. Not only do they draw women together from all areas of Orinda for a few pleasurable hours, but they also raise money for the purchase of needed equipment for all Orinda schools. Fifty cents is charge to play at each session.

### LEGAL NOTICE

**OFFICIAL NOTICE OF SALE OF SCHOOL DISTRICT BONDS**  
NOTICE IS HEREBY GIVEN that sealed proposals will be received by the Board of Supervisors of the County of Contra Costa, State of California, at the office of the County Clerk and ex-officio clerk of said Board of Supervisors in the Hall of Records, City of Martinez in said County, California, on Tuesday the 11th day of October, 1955, at the hour of 11 o'clock a.m. for the purchase of bonds of Orinda Union School District, of Contra Costa County, State of California, more particularly described below:

**ISSUE:** \$310,000, 1954 School Bonds, Series C consisting of 310 bonds of the denomination of \$1,000 each, numbered C-1 to C-310 inclusive, and dated November 15, 1955. Said bonds are part of an authorized issue in the aggregate principal amount of \$750,000, of which \$100,000, designated Series A, have heretofore been issued and \$95,000 are now outstanding; \$115,000, designated Series B have heretofore been issued and \$115,000 are now outstanding.

The remaining \$225,000 principal amount of said authorized issue may be sold when and as determined by said Board of Supervisors, but it is anticipated will not be offered for sale prior to January 1, 1956.

**INTEREST RATE:** Maximum five (5) per cent per annum, payable annually for the first year on November 15, 1956, and semi-annually thereafter on May 15 and November 15 in each year. Bidders must specify the rate of interest which the bonds hereby offered for sale shall bear. Bidders will be permitted to bid different rates of interest and to split rates irrespective of the maturities of said bonds. The interest rate stated in the bid must be in a multiple of one-quarter of one per cent per annum, payable as aforesaid.

**MATURITIES:** Said bonds mature serially in consecutive numerical order from lower to higher (without option of prior redemption) as follows:

\$15,000 principal amount of bonds of Series C shall mature and be payable on November 15 in each of the years 1956 to 1975, both inclusive.

\$10,000 principal amount of bonds of Series C shall mature and be payable on November 15, 1976.

**PAYMENT:** Both principal and interest payable in lawful money of the United States, at the office of the County Treasurer of said County.

**REGISTRATION:** Coupon bonds will be issued by said Board of Supervisors on behalf of said School District. Such bonds are registerable only as to both principal and interest.

**PURPOSE OF ISSUE:** Said bonds were authorized by more than two-thirds of the voters voting at an election held in said District on January 26, 1954 and will be issued and sold for the purpose of raising money for authorized school purposes.

**SECURITY:** The bonds are general obligations of said School District, and said Board of Supervisors has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said School District, subject to taxation by said School District (except certain intangible personal property, which is taxable at limited rates), without limitation of rate or amount.

**TAX EXEMPT STATUS:** In the event that prior to the delivery of the bonds the income received by private holders from bonds of the same type and character shall be declared to be taxable under any Federal Income Tax laws, either by the terms of such laws or by ruling of a Federal Income Tax authority or official which is followed by the Bureau of Internal Revenue or by the decision of any Federal Court, the successful bidder may at his option prior to the tender of said bonds by the Board of Supervisors, be relieved of his obligation under the contract to purchase the bonds and in such case the deposit accompanying his bid will be returned.

**LEGAL OPINION:** The legal opinion of the following firm, approving the validity of said bonds, will be furnished to the successful

## Mehner Graduates At Fort Belvoir

Capt. Frank E. Mehner, son of Mrs. Hermine Mehner, 95 Acacia Drive, recently was graduated from the 17-week associate officer advance course at The Engineer School, Fort Belvoir, Va. The course provided advanced branch training in staff functions, combat operations, military engineering and operation and maintenance of engineer equipment.

Captain Mehner entered the Army in 1945. He was last stationed in Japan.

The captain is a 1945 graduate of the U. S. Military Academy at West Point.

## Home Will Have Hawaiian Luau's Charm and Color

When the members and friends of Dolores Branch of Providence Hospital Junior Guild pass through the palm-thatched garden entrance of the home of Mr. and Mrs. Lloyd O'Connell of Orinda tomorrow, they will find gardens and pool transformed by all the charm and color of a Hawaiian luau.

The soft light of Japanese lanterns, palm-thatched lanai, lovely leis, and melodic Hawaiian music will be the setting for an evening of island gaiety.

Mrs. O'Connell will be assisted by Mrs. William J. O'Reilly, Mrs. John Allair, Mrs. James Donohue, Mrs. James Motta, Mrs. Roy Peters, Mrs. Ben Celi Jr. and Mrs. Ernest Thiry Jr.

bidder without charge: Orrick, Dahlquist, Herrington & Sutcliffe, Attorneys at Law, 405 Montgomery Street, San Francisco 4, California.

### TERMS OF SALE

**HIGHEST BIDDER:** The bonds will be awarded to the highest responsible bidder or bidders considering the interest rate or rates specified and the premium offered, if any. The highest bid will be determined by deducting the amount of the premium bid (if any) from the total amount of interest which the District would be required to pay from the date of said bonds to the respective maturity date thereof at the coupon rate or rates specified in the bid and the award will be made on the basis of the lowest net interest cost to the district. The lowest net interest cost shall be computed on a 360-day year basis. The purchaser must pay accrued interest from the date of the bonds to the date of delivery. The cost of printing the bonds will be borne by the district.

**RIGHT OF REJECTION:** Said Board of Supervisors reserves the right in its discretion to reject any and all bids and to waive any irregularity or informality in any bid.

**PROMPT AWARD:** The Board of Supervisors will take action awarding the bonds or rejecting all bids not later than 24 hours after the expiration of the time herein prescribed for receipt of proposals; provided that the award may be made after the expiration of the specified time if the bidder shall not have given the Board of Supervisors notice in writing of the withdrawal of such proposal.

**PROMPT DELIVERY:** Delivery of said bonds will be made to the successful bidder at the office of the County Treasurer of said County as soon as the bonds can be prepared which it is estimated will be within 30 days from the day of sale, but not prior to November 15, 1955.

**RIGHT OF CANCELLATION:** The successful bidder shall have the right, at his option, to cancel the contract of purchase if the bonds are not tendered for delivery within 60 days from the date of sale thereof, and in such event the successful bidder shall be entitled to the return of the deposit accompanying his bid.

**FORM OF BID:** All bids must be for not less than all of the bonds hereby offered for sale, and for not less than the par value thereof and accrued interest to date of delivery. Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of Orinda Union School District, of Contra Costa County."

**BID CHECK:** With each bid must be submitted a certified check or cashier's check for \$15,500, drawn on a bank or trust company transacting business in the State of California, payable to the order of the County Treasurer, to secure said School District from any loss resulting from the failure of the bidder to comply with the terms of his bid. In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices and the Board of Supervisors will deliver to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the bonds.

Dated: September 13, 1955  
W.T. PAASCH  
County Clerk and ex-officio Clerk of the Board of Supervisors of Contra Costa County, State of California.  
By M. CRAMLETT, Deputy  
0587, Orinda Sun, Sept. 23, 30, 1955.

### Tulip, Hyacinth Should Be Planted in Next Few Weeks

By THE GARDENER

BULB GARDENS can be planned and planted effectively both in formal or informal arrangements, and two of the best "double-personality" bulb flowers for such plantings are the tulip and the hyacinth.

Though they are both most of the thought of as formal, rather dignified-looking flowers, tulips and hyacinths can be very pleasingly planted in drifts, scattered in pairs or groups along paths, in amongst rocks, in clumps under trees.

And with the wide range of colors both flowers afford, your garden need never be a drab place even in early spring, say the California Association of Nurserymen.

**BOTH THE TULIP** and the hyacinth should be set into the ground in the next few weeks.

The hyacinth (Hyacinthus Orientalis), enjoys light, enriched soil and plenty of sun, although it will tolerate moderate shade, and can be planted through December.

Set the bulbs in 5 or 6 inches deep and that far apart from each other. To enrich the planting soil, add bonemeal close to planting time. Put a handful of coarse sand at the base of each bulb when planting in heavy soil.

**GROUND-PLANTED** hyacinths will burst open in blooms of cream, white, pink and various blues and purples in March and April.

You can force earlier blooms — by January — by growing in pots. The variety of Roman Hyacinth (albulus) blooms with narrow leaves and loose spikes of white and blue flowers in February.

For first-of-the-year hyacinth blooms plant one bulb to each deep 5-inch pot — so that the tip of the bulb protrudes above the soil in the pot. Sink the pots in peat or shavings and cover with 3 inches of peat or shavings until roots appear through the drainage holes of the pot.

**THEN SET** the pots in light, and if buds appear while the stems are still short, place cardboard collars around the plants to draw the stems up.

These pot-grown hyacinths can be placed in terraces or patios or brought into the house to add warmth and color.

**THE VARIETY** of blossoms and colors in the tulip family is very great — and you have your pick of blooming time, too. Tulips begin blooming in March and continue through April.

Culture requirements vary some for each type. In general, however, tulips of all types appreciate full sun except in areas where May temperatures are very high. Plant the bulbs 4 to 5 inches apart and two and one-half times

### Cotoneaster Has Variety of Uses

Too often abused and misused, the Cotoneaster shrub in its many species can be planted to perform a great variety of garden roles.

Available in low-growing and taller-growing evergreen forms, the Cotoneaster is hardy throughout the state.

In the taller growing species gardeners can work with the semi-evergreen Silverleaf (C. pinnosa), which reaches 10 feet with silvery-gray foliage on arching branches. Clusters of white flowers and coral red fruits offer color contrasts.

Reaching 15 feet, the Willow-leaf (C. Salicifolia) is a species with wrinkled, willowlike leaves of dark, rich green, white flowers and bright red fruits.

Ground covers in the lower-growing Cotoneaster species are the Rockspray (Horizontalis) and the Creeping (C. adpressa).

The Rockspray forms a mat of trailing branches bearing glossy green leaves, white flowers and scarlet berries and the Creeping Cotoneaster, deciduous, features pink flowers and bright red fruits.

The Necklace Cotoneaster (C. decora) reaches 3 feet in its arching growth; evergreen, it features white flowers and red fruits. It makes a good low foundation box plant.

**THIS IS YOUR** community. Attend meetings, participate, vote. Read about what is happening.

#### GOOD WALL COVERS!

Unsightly fences and walls your problem? If they are — don't resort to a brush and can of paint! There is a much more natural and eye-pleasing way of covering

fences and walls, for many varieties of shrubs and vines perform well as fence and wall lovers, adding beauty of foliage and flowers to the garden scene.

### Fall Planting Will Bring Many-Hued Bedding Plants

Nothing cheers the gardener and non-gardener alike as well as the bright blooms of annuals in late winter and early spring. And these notes of brightness can be a part of your garden if you set in some annual bedding plants now.

A sun-loving favorite is the Cape Marigold or African Daisy (Dimorphotheca). The species D. annua rings bears white flowers centered with blue rings; D. aurantiaca blooms in satiny daisy-like flowers of orange and its hybrids in white, yellow, apricot and salmon.

The Cape Marigold can be effectively used in borders, hill-sides, window boxes and pots. **RIOTOUS COLOR** is provided by the Poppy (Papaver). Crinkly-petaled flowers of white, pink, salmon, orange, scarlet and rose appear on the species P. rhoeas umbrosus or Shirley Poppy.

Best Poppy for cutting is P. nudicaule or Iceland Poppy blooming in yellow, cream, pink, orange and salmon shades. Plant both species of poppies in mixed borders. To prepare the Iceland for a cut flower arrangement, select flowers in bud and burn the tips of the stems.

**FOR COOL AREAS** select the Mignonette (Reseda odorata) is fragrant and easily grown.

Its flowers grow in spikes of greenish-yellow, brownish-red or silvery-white; horticultural varieties of the Mignonette bloom in golden-yellow, coppery-red, deep red and white.

These and a great many other annuals can be selected in bedding plant form at your favorite nursery.

### Chrysanthemums Lavish in Color

Soon the warm, rich colors of fall-blooming chrysanthemums will be heralding the season's change... for masses of 'Mums' in single, spider, spoon and many other forms, as well as all colors of the rainbow bloom throughout California, from October through November.

The chrysanthemum is one of the most satisfactory perennials to grow — there's wide variety in color and form to choose from; the quick response to attention is very satisfying; as cut flowers they are long-lasting.

Easy to grow, chrysanthemums do demand above-normal supplies of nutrients and water. In first planting it is wise to add a little nitrogen; then add more as the need is revealed by hardening of the stems or yellowing leaves.

### Daffodils Provide Gorgeous Colorings

Time to get out that daffodil catalog and make your selections for fall daffodil planting!

One of the West's favorite bulbs, the daffodil can be successfully planted to provide gorgeous blooms of yellow, white and varying shades of orange and gold for a period of over two months.

## Roses Need Fall Attention

These are the last blooming days of roses, and soon you will need to begin preparing your bushes for the coming winter — and, in some cases, replacing those roses that are no longer attractive.

In most of California, winters are rather mild and therefore rose bushes do not go into a complete dormant period. If you are gardening in a mild winter area you may want to try for several crops of blooms in the harder types of roses.

Two or three periods of blooms can be achieved by pruning in the summer and shortening-in new growth in fall.

**THIS SECOND** pruning may also include cutting back to strong side buds or laterals; Hybrid Teas and certain other Everblooming Roses pruned this way will flower in a short time.

Again, you may shorten-in and a third crop of blooms will appear.

A word of caution on this method of pruning — limit it to only the vigorous varieties of roses, such as Hybrid Teas and certain Everblooming Roses.

## 3 New California Roses Win Top Awards in Europe

Circus, Fanfare and Montezuma, three new California-bred roses, have become internationally famous, winning high awards in the 1955 International Rose Trials held in Europe.

Circus, a new Floribunda, won the 1955 Gold Medal for its class at the Concourse International des Roses de Geneva in Switzerland and the Gold Medal of the National Rose Society of Great Britain.

Fanfare, another new Floribunda, was awarded the 1955 Gold Medal at the International Rose Trials held in Rome.

MONTENZUMA was presented the Gold Medal for Hybrid Teas by the judges at Geneva.

The famous rose trio will be made available to gardeners throughout the country during the 1955-56 planting season.

The rose Circus is described as one that changes color almost as you watch it, from bright yellow and reds to orange tones, buff and pink.

FANFARE offers a show of changing color tones, also. The bud is a bright yellow; the partly opened bloom, a brilliant orange, and the fully bloomed flower, shades of pink pastels, all intermingled with the predominant salmon-orange color.

Get TWS from your dealer today for protection that pays for itself—sold in convenient pint, quart and gallon cans.

## Indoor Plants Stress Form

Within recent years, gardening indoors has become known and practiced as indoor designing with decorative plants — an innovation that puts the stress, not only on the colors of the plant, but also on the form, structure and line design of the plant.

And this indoor designing with

## Perennials Gain In Popularity

Described as plants "that die down in winter after storing food in their roots for regrowth of tops the following spring" and as "plants whose leaves are attractive the year around," perennials are an increasingly popular class of flower and sub-shrub.

Reasons for this popularity are many — perennials are easier to care for than annuals; they can be used in many planting patterns throughout the garden; many perennials remain vigorous even throughout California's mild winter.

The turn to perennials for planting often comes in a gardener's career as he seeks to cut down the amount of necessary cultivation required by individual plants.

Or often perennials are called upon to solve difficult planting situations.

Autumn's arrival marks bulb planting time — and this bulb twosome, the Anemone and Ranunculus, are a pair that shouldn't be overlooked in any California garden.

The Anemone or Wind Flower is a very hardy flower and an early spring bloomer, too.

Showy solitary flowers bloom on 6 to 14 inch stems above bright green basal tuft-like leaves. Anemone apennina blooms in sky blue flowers; coronaria, also called the Poppy-Flowered Anemone, bears poppy-like flowers of blue, red and white in various combinations.

**IN PLANTING** the Anemone, remember that the apennina prefers slight shade while the coronaria takes sun.

Persian or Turban Ranunculus, Ranunculus Asiaticus, grows slightly taller than its companion — 12 to 18 inches with globular-shaped flowers set amidst finely dissected leaves bright green in color.

Also early-blooming, the Ranunculus first appears in February and continues to lend its brilliant colors to a garden until April.

## Why Not Plant Some Exotic Tropicals?

For a breath of nether regions — far-away jungles, purple plains, verdant hills — in your garden, there are a number of exotic tropicals that will lend such an atmosphere.

Your nurseryman can give you expert advice.

The term "portable" is applied to a great variety of things in today's way of living — and, surprisingly enough, it can be applied also to certain plants.

Portable plants are actually container-grown subjects that can be moved about from patio, to entrance-way, along a wall or a driveway — wherever conditions and your fancy dictate.

And the charm of portable plants is that there are great number of containers to select from and plants to grow in them.

This is your community. Attend meetings, participate, vote. Read about what is happening.

Keep your trees smiling

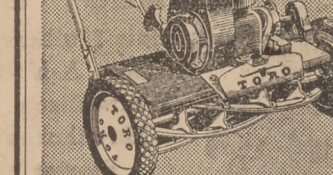

with genuine

## Sweet Peas Will Give You Profuse Reward for Care

Very few flowers grow as profusely, fragrantly and daintily as the sweet pea — which is grown with some special consideration will reward the gardener more than amply.

1. Make sure you're working with the right type of sweet pea for your area.
  2. Sow thickly in rich, deep soil where the roots can establish themselves firmly.
  3. Provide support for the vines even before they apparently need it.
  4. Arm yourself to defend the young plants from insects and birds.
  5. Water sufficiently and regularly.
  6. During the blooming period, pick the flowers at least every other day and pick off all seed pods.
- THE TYPES** of sweet peas available for planting are the early-flowering Spencers, summer or late-flowering Spencers and Cuthbertsons. Your nurseryman can tell you which kinds to plant now.
- To prepare the planting site for the sweet pea, dig a trench one foot or one foot and a half deep, fill with 6 inches of compost and/or rotted manure and add 3 to 4 inches of topsoil.
- Then sow the seed 6 to 12 inches apart, running the rows north and south to allow the future vines full benefit of the sun.
- AS THE SEED** germinates and grows to 2 to 4 inches, fill in around it with soil and continue as it grows until almost to soil level.
- Supports or trellises for the vines are best if they allow air circulation.
- Set them out from the walls and provide them even before the plants seem to be ready for climbing.
- Protect from birds by setting wire over the seedlings.
- Large flowers can be produced if you pick the flowers before they fade, pinch out side shoots and remove seed pods.

## Bulb Covers Provide Color

With fall upon us, every gardener is thinking in terms of bulbs — planning the garden, setting the bulbs into the ground, caring for them throughout the winter.

And as you think of bulbs, think also of bulb covers to provide eye interest throughout the winter before the bulbs bloom and to cover the unattractive foliage of the bulb finishing its period of bloom.

One of the fairest and sweetest of the bulb covers is the blue forget-me-not (*Myosotis Sylvatica*). Available in various shades of blue and in dwarf and medium heights, the forget-me-not should be sown from fresh seed in fall or early spring in an area of light shade and light, enriched soil.

Globe Candytuft or Iberis umbellata grows as a bushy plant to one foot or in dwarf form covered with pink, rose, salmon, lilac or white flowers.

Sow the Candytuft seeds in ordinary soil where there's full sun and provide regular watering. Plant from fall through spring.

## More Adult Classes Added

Several additional classes have been added to the fall schedule being offered by the Acalanes Adult Center, it is announced by A. D. Dambacher, director.

The Creative Writing class under the instructorship of Mrs. Juanita Germaine will begin on Tuesday evening at Acalanes High School.

A class titled Freedom of Expression, designed to help the student overcome self-consciousness in public speaking, began Monday and is also held at Acalanes.

**THE CLASS** titled Fundamentals in Acting is held Thursday evenings at Acalanes.

The Journalism class has been scheduled to meet on Thursday evenings at Acalanes and will have its first meeting next Thursday.

**Christian Science**

The perfection and supremacy of God's infinitely good creation will be emphasized at services Sunday in Churches of Christ, Scientist, 1347 Locust Street, Walnut Creek, and 22 Orinda Highway, Orinda.

Reading from the Kings James Version of the Bible and correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon on the topic "Unreality."

From Ecclesiastes (3:14) will be read the following verse: "I know that, whatever God doeth, it shall be for ever: nothing can be put to it, nor anything taken from it: and God doeth it, that men should fear before him."

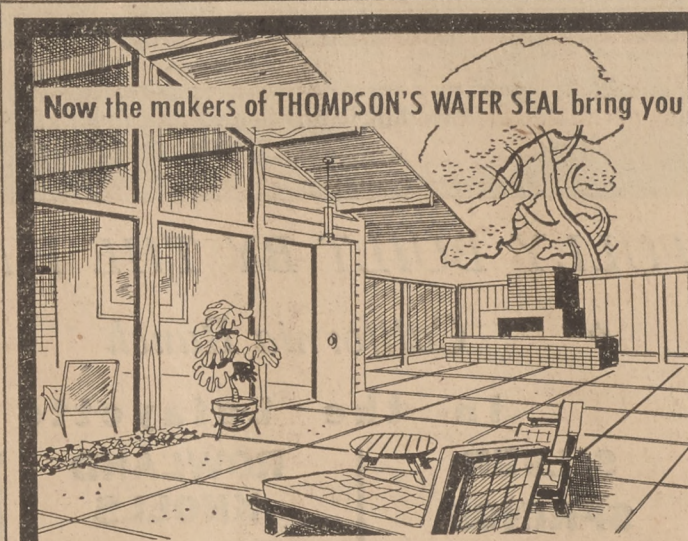

Among the correlative passages to be read from "Science and Health" is the following (525:20-22): "Everything good or worthy, God made. Whatever is valueless or baneful, He did not make,—hence its unreality."

**DAHLIAS**

Come now and select varieties while in bloom for spring delivery. Many varieties in bloom or bud in cans ready to go.

## HARTER'S DAHLIA GARDENS

## A NATURAL REDWOOD STAIN that PRESERVES PROTECTS RESTORES

At last, here's an economical and long-lasting stain (not a paint) that enhances and preserves the natural good looks of new Redwood—and brings new life to time-worn surfaces.

### THOMPSON'S REDWOOD STAIN

- assures a natural wood grain finish — designed to give lasting beauty and protection
- seals out water because it contains the deep penetrating moisture-resistant properties of Thompson's Water Seal
- is concentrated for economy — 1 gallon covers up to 400 sq. ft. or more
- provides custom-styled beauty — can be diluted for a variety of tone effects

Whether inside or out — treat your redwood to **THOMPSON'S REDWOOD STAIN** today sold in convenient pint, quart and gallon cans... 5 and 55 gallon drums at your local dealer.

Manufactured by E. A. THOMPSON CO., INC., California

## Checklist Gives Advice on Lawns

Here's this week's Garden Checklist:

1. Lawns should be seeded now so that they can become established before cold weather.
2. Remove weeds from the lawn by applying a selective weed killer. Spray the weeds away!
3. Plant Dutch iris now. This is the best iris for a cut flower. Plant in the sun in well-drained soil.
4. Plant a low cover crop of annual flowers over tulip and daffodil beds.
5. Red spider is causing considerable damage in many gardens. Your nurseryman will recommend a control.

## Native Plants Offer Variety

"Are you a native Californian?" is a question frequently posed by California residents. Gardeners often ask the same question when they are seeking something new in the gardening world.

Gardening with California natives is stimulated by many situations. Some gardeners turn to natives when they want to ease up on gardening chores — they select drought-resistant types.

Others collect natives as their vacation, bringing them back to reside in their yard as a pleasant reminder of vacation enjoyment.

Many gardeners work with natives as they do with a collector's item.

**FREESIAS ARE FRAGRANT**

Fragrant and fair is the freesia. A native of South Africa where it grows wild, the freesia grows from a corm, bulb-like but actually underground stem, and it blooms fragrantly in white and sepal, pastel and warm colors.

## Shade Trees Add To Home Beauty

A home and grounds with trees is an enjoyable one, indeed!

The color and line-form trees lend to an area, the shadows they cast upon the walks and lawns, and the very welcome shade they afford are qualities that make them appreciated by gardener and non-gardener alike.

Recommended as a comparatively new strain excellent for California planting is the Shamel Ash or Fraxinus uhdei. Introduced from Mexico several years ago, it grows rapidly to 30 feet with a 15 to 20 foot spread.

Its leaves are bright green and glossy and divided into leaflets.

# Preps Face Final Gridiron Practice Games

## Knights Travel To Albany Field This Afternoon

The Las Lomas Knights, riding high with two victories tucked under their belts, travel to Albany for a game starting at 3:30 this afternoon.

The Knights topped John Swett in the opener 18-0, then came back last week to eke out a 13-12 win over a scrappy Amador High eleven.

The Albany Cougars hold a 1-1 record to date, losing to Riorand High of San Francisco in the opener, then topping St. Mary's High of Berkeley 6-0.

COACH George Deklotz has his problems, though, with possibly four of his starters sidelined, due to minor injuries. The wounds are of the bothersome but not serious type—but just enough so that they may miss the Albany tilt, particularly in view of the fact that league play opens next week.

Chances are Coach Deklotz will rest any doubtful cases in order to be ready and at full strength for the Dons.

The 4F's at the moment consist of halfbacks Don Schuppert, out with a banged up knee; Don Ogden, the high scoring fullback, who has a bruised shoulder; halfback John Westlund, with a bruised leg, and end Gary Winget, who hasn't seen action to date, due to a turned ankle.

IF ALL OR several of the four lads are not ready, it promises to be a rough afternoon, as the Knight's big problem has been one of depth. Workouts have been on a modified basis all week with emphasis on timing and finesse.

Las Lomas at full strength would rate the favorite role, but in view of the circumstances, Albany, with the home field advantage, gets the nod from the dopesters.

## Don-Knight Tilt Will Be Opener Of League Play

The Acalanes Dons open league play next Friday night when they host the Las Lomas Knights.

The game is one of keen rivalry and, rest assured, both squads will be up for this one.

Acalanes Memorial Field will be the scene of action, with kickoff scheduled for 8 o'clock.

The Knights base their hopes on Don Ogden, booming fullback who is one of the county's leading scorers to date and who has piled up some impressive yardage.

IN WEBB JOHNSON the Knights have a center and line-backer who stole many a headline last fall and figures to do the same this year, particularly with his linebacking.

Graduation hit Las Lomas hard, and its forward wall is on the light and inexperienced side.

The Dons have a heavy and fast backfield with Richard Markstein (150) at quarter, John Cadwell (190) at full, Stuart Busby (190) at right half and Gary Arel (185) at left half.

THE DONS have better than average depth and when the green but adequately heavy forward wall "jells" with experience the Acalanes eleven could be a contender club in the pennant race.

Las Lomas figures to give the Dons a rough go of it, due to the keen rivalry between the two clubs.

Coach George Deklotz of Las Lomas and Coach Erwin Mattson of Acalanes are both pointing for this one.

New plays and new defensive actions will be brought into play.

## Rams Face Tough Brentwood Lions In Game Tonight

The Pleasant Hill Rams made a surprise showing last week when they faced the high-powered Encinal Jets and scored three touchdowns in the course of play. They went down 33-20, but the game was anything but a rout, especially when it's recalled that the Jets rapped the Pittsburgh Pirates 18-0 a week earlier.

The Rams opened the season with fumbles when they dropped the pigskin 11 times in losing to Alhambra. Then they came back with a good game against the Jets, and tonight they face anything but a breather when they meet up with the Brentwood Lions at Brentwood at 8 o'clock.

The Brentwood eleven, playing their first game last Friday night before 4000 fans, came close to upsetting the dope bucket before dropping a close 6-0 decision to league favored Antioch Panthers.

RAM COACH Hal Briggs has plans for the Lions but figures to be handicapped with the probable loss of four first-stringers who are out with everything from charley-horses to appendicitis.

Briggs is in the hole, Jim McMillan, is hale and hearty, however, and ready to give the Liberty High lads of Brentwood nothing but trouble.

Jim has been a mainstay of the Rams last season and this, and his yardage totals have compared favorably with the best on a per try or total basis.

DESPITE THE LOSS of several players for this game for the sundry reasons mentioned, the Ram grid machine figures to shake, rattle and roll enough to make the game an even contest.

Light but scrappy, the Pleasant Hill lads won't be too far behind if they aren't ahead when the scores are totaled.

## Knights Edge Amador, 13-12

The Las Lomas Knights hacked up victory number two and remained in the undefeated class last Friday afternoon when they played host to Amador High's Dons by a narrow 13-12 margin.

The Knights were definitely off their feed as they played erratic ball to carve out the narrow margin of victory.

Workhorse of the backfield, as he has been all season, was Don Ogden, the plunging fullback who scored two more touchdowns to add to the three he tallied last week against Crockett.

OGDEN SCORED the first touchdown in the opening quarter. Duane Brown kicked a low conversion try that just skimmed the cross bar, and, as things turned out, it was the margin of victory.

Amador came back with an aerial attack in the second period that wound up in the end zone for a touchdown.

THE BALL WAS in the air when time ran out, and it was 7-6 when end Don Paulo took the 20 yard pass from the right arm of quarterback Corky Cortez, with the point after touchdown play failing to click.

Ogden rambled 15 yards around right end on a pitch out to reach pay dirt and another six points in the third period. The conversion kick was blocked and the scoreboard showed 13-6 going into the final period of play.

PASSING and running, the Amador club gave their fans something to shout about in the closing minutes when Cortez sneaked over from one yard out. Cortez missed the conversion try, and it proved fatal as time ran out before any further scoring could take place.

## SPORTS Sideline Slants

### Couldn't Pro Baseball Use Pro Football Draft Setup?

By ERWIN MATTSON

Baseball has stolen a good bit of football's thunder, with the World Series in action.

Millions of eyes have been glued to TV sets. In addition, thousands have actually watched the games.

The Yanks proved to be the come-through crew once again. It's getting to be that one almost expects the Yanks to be in the Series, and on top of that, to win it.

It seems as if it's about time that pro baseball adopt the same system of drafting players as is used in pro football.

As things now stand, the club with the most influence, meaning the most dollars to offer, gets the most and best players, then getting stronger while the others get weaker.

IN PRO FOOTBALL a draft system is used, with the bottom clubs getting first choice and the top team last pick.

In a few years teams begin to balance out, clubs become fairly even and the keen competition turns the turnstiles in no uncertain fashion, with the cash register playing a merry tune.

It seems to be a much more sensible way and one that would have helped the Pacific Coast League.

THE YANKS have always been my club, but one player I have disliked and always will dislike is a member of the Yankees recently returned from the Army.

Much to-do and publicity has been given him from the time he joined the Oaks and went to the Yanks. He had problems with the Army several years back, using one dodge and then another to keep out of the service.

On top of that, he was barred from high school ball due to his lack of respect for rules and regulations. Fights were frequent with ball players, spectators and umpires. Some said he was a scrappy ball player but others had a different name for it.

On occasion his behavior has been anything but good in organized ball. Some have tried to make a hero out of him but actions like his are part of what's wrong with a few weeks.

Financing, location and other problems are to be worked out, with some positive and definite action planned well before spring rolls around.

I SEE WHERE one of the nearly daily papers pulled one of the "boots" of the week in its sports coverage.

The paper stated, in connection with a recent game, that two players were outstanding in their play last week and went on to describe their all-around play in glowing terms, with an oversupply of superlatives.

The two had been mentioned earlier on several occasions as probable all-county players.

All was well and good except that neither player got in the game last week! One wasn't even in suit and the one who was in suit was held out due to an injury.

The peculiar part is that such writings have a strong influence, as many players in the past have made the all-star team in newspaper writeups and not by actions on the field.

A committee has been appointed and will go into action within

## Alhambra Team Will Be Hosted By Dons Tonight

The Acalanes Dons disposed of the Tracy Bulldogs last Friday night and tonight they face the Bulldogs again. The difference is that the Bulldogs this time come from Alhambra High of Martinez.

The game, to be played at Acalanes, starts at 8 p.m.

THE MARTINEZ squad was practically an all-senior one, and few lettermen returned. With the Dons on the upgrade, it hardly figures to be a repeat score.

In fact, the edge, if any, goes to the Dons.

Both clubs have 1-1 records in the win and loss columns, so they are even on that basis.

COACH Jim Coulter of Alhambra uses the single wing and unbalanced "T" and they could give the Dons' defensive unit trouble.

The Dons have been down in practice all week, and it remains to be seen if they can come up by kickoff time tonight.

## Dons Beat Tracy By 25-13 Score

The Acalanes Dons bounced back from their Piedmont defeat to win a convincing 25-13 win over the Tracy Bulldogs last Friday night at Acalanes.

Taking advantage of the breaks and playing at times brilliant but inconsistent ball, the Dons proved to be too much for the Bulldogs.

Elongated Pete Villa started the ball rolling when he gathered in a 25-yard pass from Quarterback Richard Markstein and outraced the secondary for 35 yards to score.

Stuart Busby split the uprights to add the extra point.

IN THE SECOND period Halfback Gary Arel found a hole at left tackle, took to the outside and scored the TD with a 25-yard run. The conversion try missed.

Tracy came back with a minute on the clock at the half, to score with George Napoleon going over from six yards out after Tracy recovered a Don fumble by Arel on the 10. The conversion try was good.

In the third quarter both clubs scored. Tracy on a 70-yard drive with Napoleon going over from the 10-yard marker.

## League Manager Board Censures Antioch, Pitt

Antioch and Pittsburgh High Schools received some adverse publicity this week when a letter from the Diablo Valley League Board of Managers censured the schools and coaches for violating rules regarding the starting of football practice.

The letter, in effect, said that Tony Knap, Pittsburg coach, and Antioch's Brooks Golden and one of his assistants were guilty of intent to evade the spirit of the league's policy covering a uniform opening date for football practice.

The official date had been set for August 29.

The release further stated that the violation had resulted when equipment and drills had been used under the guise of a recreation program.

The managers stated that any further violations would result in suspension from league play.

Antioch was suspended last year from basketball, due to a series of incidents.

Games are on tap every Friday in the six-team circuit, with the curtain ringing scheduled to ring down on the season with the final games on Friday, November 4.

Early practice and pre-season "dope" give Antioch the edge, with Pittsburg, Diablo and Acalanes all in top-flight pursuit of the elusive pennant.

ANTIOCH has a good nucleus of veterans and, thanks to a summer recreation program, is well ahead of the field in play development at this stage of the game.

The big question mark is depth. Pittsburg lost its first two but is on the upswing—but appears to have been hard hit by graduation, particularly in the speed department.

THE PIRATES never go down easy, however, and they have worked their way up the ladder before.

Diablo and Acalanes both took licks in their opener games, then came back to chalk up wins.

Diablo has numbers and size plus some good speed, and is a definite contender.

THE DONS, green in spots, look to have good balance and

## League Gridiron Schedule Will Start Next Week

Next week finds members of the Diablo Valley Athletic League swinging into action in earnest as 1955 league play gets under way.

Games are on tap every Friday in the six-team circuit, with the curtain ringing scheduled to ring down on the season with the final games on Friday, November 4.

Early practice and pre-season "dope" give Antioch the edge, with Pittsburg, Diablo and Acalanes all in top-flight pursuit of the elusive pennant.

ANTIOCH has a good nucleus of veterans and, thanks to a summer recreation program, is well ahead of the field in play development at this stage of the game.

The big question mark is depth. Pittsburg lost its first two but is on the upswing—but appears to have been hard hit by graduation, particularly in the speed department.

THE PIRATES never go down easy, however, and they have worked their way up the ladder before.

Diablo and Acalanes both took licks in their opener games, then came back to chalk up wins.

## Sacramento Man Favored Driver

With four straight main event victories behind him, Wally Baker of Sacramento is the leading contender to win tonight's 50-lap feature hard top race at Contra Costa Speedway, according to Gene Marsh, Walnut Creek promoter.

Tonight's program will carry a \$3000 purse, Marsh announced.

better than usual depth.

The backfield is hefty and has good speed.

Much depends on how fast the forward wall develops.

LAS LOMAS and Pleasant Hill still have growing pains and need time to build, but either or both could decide the pennant winner by dumping some top club along the way.

Pleasant Hill has a fine back in Fullback Jim McMillan, while the Las Lomas eleven has a top scorer in Don Ogden.

All in all, the 1955 season looms as one of the best from the point of view of balance in a long, long time.

ACALANES HIGH SCHOOL'S Daphne Branch of the Children's Hospital of the East Bay will participate in tomorrow's Sub-Deb Fashion Show for the benefit of the hospital. These two Daphne members, Ann Clayton and Carole Holabird, will model at the affair, which will be held at the Claremont Hotel, Berkeley, starting at 2:30 p.m.

## Junior Members Sam Caponio Model Tomorrow Kay Millham At Sub-Deb Show Are Justweds

Thirty models have been selected from nine junior branches of Children's Hospital of the East Bay to appear in the annual Sub-Deb Fashion Show tomorrow in the Salem Room of the Hotel Claremont in Berkeley.

From Daphne Branch at Acalanes High School, Ann Clayton, Carole Holabird and Loretta Scallinetti will appear.

The show will start at 2:30 p.m. An important part of the Sub-Deb Fashion Show is the intermission entertainment. This year Judy Lowe of Spruce Branch, a popular singer, will perform her prize-winning number in the talent-search contest this summer in Washington, D.C. — "Man in a Raincoat."

Adult sponsors of the event are Mrs. Wallington Ray of Orinda and Mrs. Russell Griffith, both members of Redwood Branch.

## Lawyers' Wives Plan Kate and Advocate Ball

The first Kate and Advocate Ball will be held Oct. 8 in the Sequoia Country Club.

Sponsored by the Lawyers Wives of the East Bay, the proceeds will go for the Legal Aid Society of Alameda County.

Area members are Mrs. David Holstrom, 1533 Main Street, Walnut Creek; Mrs. Philip Knox Jr., 1110 Walker Street, Walnut Creek; Mesdames Richard Rockwell, Samuel Wagener, William Chanell, Fred Dodge and Glenn Spencer, all of Lafayette; and Mesdames Nathan Gray, Robert Walker, Stanley Kendall and Thomas Ferguson, all of Orinda.

Hundreds of invitations have been mailed by Mrs. Nathan Gray, general chairman and her assistants, who have been preparing for the formal dinner dance. Table decorations will be arranged by Mrs. Wegener and her committee, and are symbols of the legal profession of earlier days.

Reservations are being taken by Mrs. T. Henry Ivery, 2851 Russell Street, Berkeley.

## Tea to Benefit Blind Children

A "white elephant" tea to benefit Enchanted Hills, summer camp for blind children of the East Bay, will be held Thursday, October 13, 2:40 p.m., at the home of Mrs. Frank Tebbis, 59 La Espiral, Orinda.

There is no admission charge, but a white elephant donation will be appreciated. Anything that can be sold, including old vases, ash trays or brass bird cages, is acceptable.

# Sun Society AAUW Chapter Lays Fall Plans

Full scale activities resumed this month for the Walnut Creek Chapter of Association of American University Women, after a summer-time lull.

The first general meeting held last week had Congressman John Baldwin of the Sixth District as guest speaker. Section meetings were held, and others scheduled. New members were welcomed into the group, and prospective members were entertained.

CONGRESSMAN Baldwin at the meeting held at the Walnut Creek Women's Club building told about "A Congressman's Job." Hostesses for the evening were Mesdames L. T. Cantrell, chairman, H. F. Kley, E. J. Hartman, K. C. Ruppenthal, P. Brandes, E. C. Whalen and E. O. Condit.

New members include Mesdames T. E. Coker of 11 Marshall Drive, J. N. Weatrlich of 2 Parrott Place, Danville, and Fred Lettice Jr., of 3225 Rogers Avenue.

Guests at recent entertainments for prospective members include Mesdames W. W. Ornduff, W. J. Hill, J. C. Roberts, J. B. Harmon, Robert Whalen, G. T. Seaborg, B. Callow, R. P. Nelson, J. M. Murphy, C. Malone, R. J. Kutsky, Charles Carp, P. Tuft, F. Crothers, James Walker, J. S. Hass, R. Burton, F. Belcher and E. Allen.

NEW CHAIRMEN are Mrs. D. M. Scott of Concord, radio and television sections; Mrs. A. L. Axelson, committee on status of women; Mrs. H. F. Green of Danville, legislative matters.

Meetings to be held soon are as follows:

First fall meeting of the book section will be held Monday at 8 p.m. at 308 Overhill Road in Orinda. Speaker is Mrs. Paul Hanson, who will tell "How to Prepare and Present a Book Review."

The Monday Afternoon Bridge Players will meet next Monday at 12:30 p.m., at the home of Mrs. J. W. Lien at 108 Poshard Street, Concord.

THE TUESDAY Evening Bridge Players will meet Oct. 11 at the home of Mrs. Gordon White of 412 Beatrice Road, Concord.

The International Relations Section will meet Oct. 13 at 8 p.m. in the home of Mrs. George Imboden, 449 Marshall Drive. Subject is the United Nations and Latin America, with emphasis on technical assistance programs.

## Junior Club Initates 36

The Lafayette Junior Woman's Club held a candlelight initiation ceremony last night for 36 new members at the Lafayette School auditorium.

The initiation ceremony was officiated by Mrs. Joel Kitchens, president; Mrs. Richard Burnside, vice president; Mrs. Clem Ellerson, advisor, and Mrs. Richard Grothman, membership chairman.

Mrs. Robert Mather of Oakland, Alameda District junior president of the California Federation of Women's Clubs, was guest speaker for the evening. Mrs. Mather spoke on the importance of the federation to all juniors.

The new members are Mesdames Hans Betz, M. Barkley, Laurence Campbell, Donald Cherrington, George Conti, Elwood

## Orient Under Discussion

The October program meeting of the Lafayette Women's Forum will be held Tuesday at 1:30 p.m. at the Veterans Memorial Building, Lafayette. Mrs. R. H. Lockey, president, will preside.

Mrs. Wallace Carver, program chairman, will introduce Mrs. R. L. Saxton of Lower Happy Valley Road, as the speaker for the afternoon.

Mrs. Saxton, who has recently returned from a cruise to the Orient, will exhibit her slides and pictures taken on the tour and

## Adoption Unit Discusses Current Policy

Two programs for adoption of children were compared at a meeting of the Contra Costa County Adoption Auxiliary held this month at the home of President Mrs. George Pence of 671 Acalanes Road, Lafayette.

Mrs. Donald Fibush of 3350 Springfield Road, Lafayette, told members that the authority of the unit in the independent adoption program is limited. The agency has no say in the placement or choice of child or home, and only reports to the court, she said.

There are fewer safeguards for the child by that method than by the relinquishment program, in effect under the Adoption Unit of the County Social Service Department since 1950, she said. There, the Auxiliary assumes responsibility for the child before placement in the home.

It was announced that contributions of infant clothing for the Mt. Diabolo Hospital may be made by contacting Mrs. Henry Sattler, phone MU 2-9327.

## Diablo Council Dance Friday Is 'International'

Mt. Diablo Council for United Nations is sponsoring a dance of international theme at the Diablo Country Club next Friday. Dancing to Hank Gallagher's orchestra will begin at 9 p.m.

A large group of foreign students from the international House at the University of California will be special guests.

Program Chairman Rev. Philip Solbjor, has announced that during intermission oriental dance numbers will be given.

The public is invited to attend. Tickets may be obtained from Mrs. Arthur Schick at YE 4-4128, or Mrs. Fred Karlrud at YE 4-3946, and will also be available at the door.

Elrich, Dan Hadsell, Parker Haydon, James Herrick, Loring Hanson, Harold Harbath, Douglas Johnson, R. J. Jones, Stephen Kahn, William Keeling, D. Kennedy, William Kirkham, John Link, Ford Lovelace, Glenn McDonald Neff, Stanley Sass, Frank Sessler, Leo Schell.

Mesdames William R. Smith, Bruce Stringer, Daniel Spillane, Ted Webb, William White, J. H. Wickenhiser, David Wilson and Charles York. Three juniors are transfers from other federated clubs: Mrs. Julius Speyer, Orinda; Mrs. George Sanko, Downey; Mrs. Frederick Warnke, Northridge.

The total membership of the Lafayette Junior Woman's Club now stands at 111 in the third year of federated organization.

also share with member of the Forum her experiences, and facts gained while in the Orient.

Mrs. S. DeAngelis, chairman of ways and means committee, will conduct a "silent auction" at the conclusion of Mrs. Saxton's talk. The proceeds from the auction will go toward the building fund.

Following the program and silent auction, Mrs. Edward W. Firby, assisted by Mesdames Gordon Frazell, T. J. Clark, Vincent Lombardo and George Simmons, will serve afternoon tea.

## Wedding Shower In San Mateo Honors WC Girl

Miss Carolyn Smith of 1334 Walden Road, Walnut Creek, was honored last week in a wedding shower held at the home of Mrs. R. O. Black of San Mateo.

Recently Miss Smith announced her engagement to Louis Christensen of Pleasant Hill. The wedding will be early in June.

Parents are Mr. and Mrs. H. P. Smith of Walnut Creek, and Mr. and Mrs. Ruben Friedrich of Pleasant Hill.

## Ronald Tinay to Marry UC Grad

Ronald Tinay, son of Mr. and Mrs. John W. Tinay, 786 Solana Drive, Lafayette, will be married during the Christmas holiday season to Miss Gloria Andersen of Alameda.

Announcement of the engagement was made recently by the bride-to-be's parents, Mr. and Mrs. Waldemar Andersen.

A member of Abacabadra Fraternity, Ronald is a chemistry major in his senior year at the University of California. Gloria is a UC graduate, serving as a dietitian at Cowell Memorial Hospital on the campus.

PREPARING FOR the annual autumn dance of the St. Mary's College Alumni Association are these members of a committee of wives of local-area alumni. Discussing plans at the St. Mary's campus are, left to right, Mesdames John Bartolero, Walter B. Thomas, Aloysius C. Weber and Walter G. Englert. The dance will be held October 14 at the Sir Francis Drake Hotel, San Francisco.—Sun Photo by Mattson

## Mrs. Valley Will Begin Her Talks on October 12

On October 12 at 2 p.m. in the Orinda Theater will be the opening lecture of Mrs. Loretta Baker King, Doris Fraser, Jack Buchter, Robert Spott, William Figley will discuss the situation as it exists today in the world struggle between Democracy and Communism. What are the losses and what are the gains? How far has this war affected each and every one of us here in the United States?

Some of the non-fiction books to be reviewed will be "Hiroshima Diary" by Dr. Michihiko Hachiya, "Still the Most Exciting Country" by William Attwood, "The Fears That Men Live By" by Selma Hirsch, and "The African Giant" by Stuart Cloete.

FICTION TO BE reviewed by Mrs. Valley includes "Drinkers of Darkness" by Gerald Hanley, "Marjorie Morningstar" by Herman Wouk, "The Stepmother" by R. C. Hutchinson, "Band of Angels" by Robert Penn Warren, "The Picnic at Sakara" by P. H. Newby, "The Treasure of Pleasant Valley" by Frank Yerby.

These lectures, five in all, will be held on the second Wednesday of the months of October, November, January, February and March. The cost of the series is \$7.50. Booklists will be given out at all lectures. Usually the November lecture is a talk on Christmas book ideas for adults and children. In January, Mrs. Valley will review the current Broadway plays which she has seen during her Christmas visit to the East Coast.

More of the early season ticket holders are Mesdames Betty Harper, Ethel Fowden, Ruth Hopkins, Zoe Woolsey, Alice Makinson, Elizabeth Follard, W. V. Morgan, Pulia McCullough, Elizabeth Brabant, Helen Noble, Charles Stimpson, Catherine Schwarck, Helen Hilton, Kerry Kersey, W. M. Gillis, Virginia Vasterling, Jack Edwards, James Hull, Clifford Mayne.

Ben Randall, Donald Rhem, Betty Wegner, T. B. Glass, William Patterson, J. H. Brooks, Kenneth Gelwick, Edward Walsh, Uriel B. Smith, Bruce Howard, Maynard Buehler, Howard Hoyt, Lloyd Swayne Jr., William Love Jr., J. K. Beatty, Paul Ammen, Charles Nutting, Melvin Arighi, Will Morris.

W. E. DIETRICH, E. V. Bowbeer, Edgar Sawyer, Alton Stach, W. P. Walton, Franklin Pennock, Tom Boothe, A. M. Guthrie, John B. Tulloch, Phyllis Riggs, Ruth Hovey, Helen Bray, Marion Bender, Charles D. Anderson, W. Hollingsworth, R.uby Huntley, John J. Reilly Jr., Mildred Bartlett, Anna M. Mordy, Cecil Cutting, William Flaeger, Dorothea McChesney, Winifred Neighbor, David Gideon, Sutherland Hutten, James Watson.

Pauline Thrane, June Nicolet, Hazel Losey, John R. Deane, Clay Sorrick, Jefferson Larkey, R. L. Rowley, Roger Stark, Dwight Skaggs, Norris Wiggins, Joseph Lang, Walter Cole, Fred Crawshaw, William McNevin, E. S. Mahoney, John Manners, Munson Everest, Harry Dutton, Joseph Long, Julian Unruh.

Mesdames S. G. Culver, A. D. Henry, W. L. Meim, Cra Howe, Josephine Granger, John Baker, Wallace Carver, W. J. Prusha.

The second in a series of "Fun and Fund" parties was held recently at the home of Mrs. J. L. Kerns, 819 Las Trampas Road, Lafayette. Funds go toward the youth building in the proposed Lafayette Community Center.

Guests gathered on the lawn under sprawling oaks for an afternoon of gaiety and entertainment. Highlight of the program was two book reviews by Eleanor Silverman.

She selected Cornelia Otis Skinner's "Bottoms Up" and "It Happens Every Thursday" by Jane McIlvaine. Her presentation was enthusiastically received.

Door prizes were won by Mrs. Howard Laney and Mrs. Harry Hindman. Assisting Mrs. Kerns in serving refreshments were Mesdames C. Ronald Smith, Charles Phillips, Joseph Gaeta and Lu Sacconaggi.

The next "Fun and Fund" party will be held at the home of Mrs. Charles Phillips, 831 Las Trampas Road sometime in October.

Other benefits will be held at the homes of Mesdames Malcolm Nielsen, Edward Lee, Floyd Hendricks and Floyd Hoffman. Anyone interested in attending these fund raising parties should call Mrs. Kerns, AT 3-3983.

## Terry Anne White Says Joan Hazeltine, Robert Morgan Exchange Vows

In a home ceremony Sunday, Miss Terry Anne White became the bride of Shoren H. Fenton Jr. at 1751 Reliez Valley Road, Lafayette.

She is the daughter of Mr. and Mrs. Stanford White. The groom's parents, Mr. and Mrs. Shoren H. Fenton, are residents of Lucerne.

The Rev. James Upshaw of the Walnut Creek Presbyterian Church officiated before some 60 of the couple's friends and relatives. A reception on the White grounds followed the pronouncement of vows.

Mrs. White made the bride's dress, which featured a white lace torso top, blue satin bow, apron front and bustle back, ballerina length.

The groom is serving in the Navy, and is currently stationed in Vallejo. The couple took no extended honeymoon, and are now living in Berkeley, where Terry Anne is employed. Both are graduates of Acalanes High School.

Frank Desimonne served as best man; matron of honor was Mrs. Robert Crabtree.

## Acalanes Party Tomorrow Night

The Acalanes Valley Improvement Association will hold its fall party tomorrow at 6:30 p.m., according to plans made at the association's quarterly meeting last week.

In charge of the party is Dick Baxter. The affair will be held, as usual, in the Reverdito Barn on Acalanes Road. Price is \$1.50 per person, and reservations must be made with Ernest Biasotti.

In other business, President A. F. Greblo appointed a committee to study the association's by-laws and to present a revised version for consideration at the next meeting. Chairman of the committee is George R. Cummings.

**It's Here!**  
**MODERN NEW WALNUT CREEK STAUFFER SALON**

**Now you can reduce quickly, easily, safely**

If you're tired of being overweight, of dieting and gaining it back—you owe it to yourself to learn about Walnut Creek's modern new Stauffer System salon.

**3,000,000 SUCCESS STORIES.** Millions of women have used the Stauffer System to gain a lovely new figure. Here are two sample success stories:

- Mrs. Grace Funder, Los Angeles, reduced from size 40 to an attractive size 14, lost 68 pounds in 11 months.
- Mrs. Suzanne Schaiterer, Glendale, took 9 inches off hips in 3 months, reduced from 180 to a slim 127 pounds.

**YOU GAIN OVER-ALL BEAUTY.** The Stauffer System gently molds you into alluring contours... firms, tones and trims hips...shrinks bulging tummies...slims thick ankles...aids in creating a new, youthful posture. (All without the use of drugs, heat, strenuous diet or exercise. You don't even disrobe.)

**START NOW.** Don't put off improving your figure any longer. Let us show you how easily you can look more beautiful, feel better and have the stylish figure needed for today's fashions.

**RESULTS GUARANTEED.** You are given personalized attention, and your complete satisfaction is assured.

**FREE TRIAL**

For a free trial treatment call now (we're open from 9 am to 10 pm) No obligation. Call today and start life anew!

**Stauffer System**

1357 Locust St., Walnut Creek  
Yellowstone 5-0580

VOGUE MAGAZINE recently reported that the "Stauffer System makes you feel stimulated, full of energy...tones the muscles, encourages circulation."

# Memo to You: Please Tell How to Improve The Sun!

This coming week is National Newspaper Week. Annual observance of Newspaper Week usually is marked by discourses on such general topics as freedom of the press and the responsibility of journalism.

Important as these generalities are, we want to observe National Newspaper Week by "getting down to cases" and asking you, our readers, how we can improve The Sun.

We are constantly trying to improve the paper; year by year The Sun is becoming a larger newspaper, reflecting the steady growth of our area. But even so, we have difficulty getting all the news into the paper—in fact, we usually aren't able to get all the news in.

We would appreciate hearing from our readers as to what they like about The Sun, what they don't like about it, what they would like to see added to the contents of paper and how we can improve our news coverage.

In connection with news coverage, you, our readers, play an extremely important role—and that role, we hope will become still more important.

If you phone us with "news tips" about accidents or other events you see or hear of, or if you send in accounts or notations on what you and your family and friends have been doing, you are contributing in a very real way to making The Sun a better newspaper.

Births, parties, trips, weddings, engagements, visitors—these are among the many vital subjects which constitute news. And you, our readers, are our "star reporters." In a small community like ours a newspaper must to a large extent depend on its readers for news coverage.

We are particularly interested in hearing from our readers regarding "spot news." Just tell us what you've seen or know—we'll follow through with further checking, if necessary.

At all times we welcome suggestions and criticisms. Only if these are forthcoming from you can we publish a good newspaper—for only with such aid from you can we know where we're succeeding and where we're failing in our efforts.

## What They Say

### Can They Read Better Today?

Children nowadays don't read "Treasure Island" or "Robinson Crusoe" like their ancestors did, some would have us believe. They say that one of the reasons for this is that today's kids simply can't read well enough to handle such material. A comic strip is more suited to their level.

Our researchers began wondering whether this was so and decided to consult a group of people on the subject by asking this question:

"THERE'S A nationwide controversy on whether today's youngsters can or can't read as well as those of a generation or two ago; what do you think about it?"

Mrs. Albert M. Wolff, 6 Tarry Lane, Orinda replied: "Judy is in the fifth grade at Sleepy Hollow School, and as far as I can tell, she does very well with her reading. She has had teaching in phonics and I'm surprised at the words she can read."

"They can't," was the emphatic answer of Mrs. George T. Sawyer, 3334 Las Huertas Road, Lafayette. "I don't think today's system is as good as the one used in my generation. Pronouncing of vowels is far superior to 'sight' reading itself."

ROY ANDERSON, I Las Aromas, Orinda, said: "They can't, because of a combination of not being taught well and not being required to do much homework. It's a cinch when they come out of school, they know less than they used to."

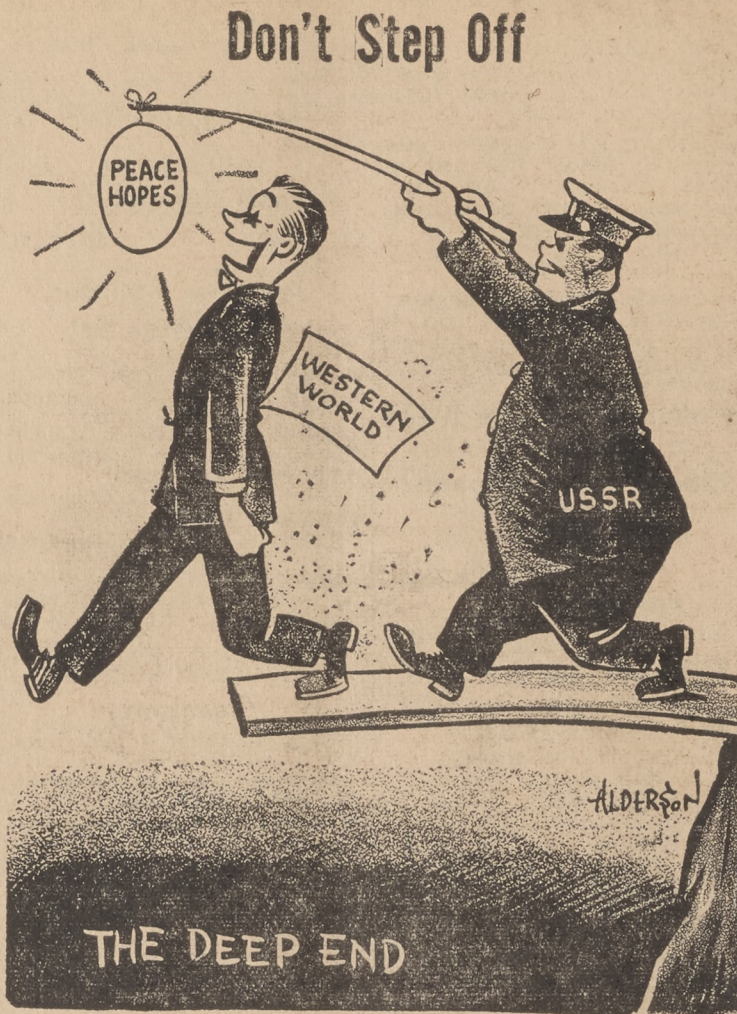

"I'd say they were better," said L. W. Mitchell, 995 Acalanes Road, Lafayette. "I think they read more books nowadays, but cannot cite a specific reason for this."

MRS. WILLIAM BIRKA of 722 Charlton Road, Pleasant Hill, feels that there are good things to be said for the "modern" system of sight reading, but she is taking no chances.

She plans to teach her four-year-old daughter, Karyn, the phonic system, as urged by Rudolph Flesch in his book, "Why Johnny Can't Read."

The home instruction will take place before Karyn starts school, and should enable her to get full advantage from both systems, she said.

As for television, she stated that it "is a general education aid

in teaching them about the world in general, especially in the travel and entertainment shows."

The medium will gradually improve, with less of the "trashy" element in her belief.

Firmly decided that "I am the wrong person to ask about this" was Mrs. Robert Ohman, 37 Cuesta Way, Walnut Creek.

SHE EXPLAINED that "I have two boys, both are excellent readers, one taught by the phonic method, and the other by sight reading."

John, 11½ years old, is the phonic learner, and Randy, 8, learned by the "modern" method.

Both systems seem to work well, though some advantage is to be found for spellers in the phonic approach, her experience has taught her.

With Mrs. Ohman, however, the process does not end with the school bell, for she sees that the boys have a minimum of "horror" comic books, and a selected quantity of their "happy" equivalents.

AND THEIR SESSIONS with the television set are limited in consideration of health, and what programs are appropriate to young children.

Seemingly in agreement with Mrs. Ohman is George Kruger of

112 Poshard Road, Pleasant Hill, who deplores all the "fuss and feathers" over educating the kids.

"In the long run, they are just as well off either way, it appears to me."

Kruger added, however, that the answer isn't in the type of education, but in the home atmosphere a child grows up in, how much free time he has, how he spends it, and how strict his parents are in seeing that he develops good habits.

GORDON GARCIA, a junior at St. Mary's College, Moraga, whose home is 3520 Melody Drive, Walnut Creek, is sure that the trouble is not in the methods of teaching, but in "the lack of incentive in young people to develop intellectually."

How this is to be remedied is a tough question, Garcia agrees. Factors are crowded conditions in classrooms today, and in many instances, the lack of interest by parents.

"It's hard for them to get on the right track attending double sessions, especially when their parents don't show a real interest in how well they do."

Realtors Attend State Convention

Three local realtors attended the 51st annual convention of the California Real Estate Association which ended yesterday at the Biltmore Hotel in Los Angeles.

They were Bill Anderson, Ben Hamlin and R. Wayne Bailey, members of the Contra Costa Real Estate Board.

About 4000 realtors at the convention saw a series of programs. Special guests included Governor Goodwin Knight and Henry Watterson, president of the National Association of Real Estate Boards.

## Letters to The Editor

DEAR EDITOR:

I am a subscriber to the Walnut Creek Sun and for several weeks I have been reading news items mentioning H. P. Newman, executive vice-president of the Association for the Progress and Improvement of Contra Costa County.

Would it be possible for you to run an article telling the public just what this Association is—where it is located, etc? I live in the city and naturally am interested in city improvements and would be happy to learn if the members of this organization are residents of the city too. So far your paper has just mentioned Mr. Newman and I would appreciate it very much if other officers and members were named and quoted.

Thanking you in advance for your cooperation in keeping your readers up-to-date regarding what is going on in our city.

Name withheld on request Walnut Creek

(Officers of the Association for the Progress and Improvement of Contra Costa County include: George Weise, president; A. J. "Buck" Johnson, vice president; Frederick C. Kracke, secretary; L. E. Mullen, treasurer; and Hank Newman, executive vice president. Newman asks that inquiries about his organization be directed to the association's Lafayette office, 998 Hough Avenue, AT 3-8112.)

Dear Editor:

Through your columns I wish to thank every one who helped make the 11th Walnut Festival Race Sunday the best yet. The turnout was the largest ever. The Explorer Scouts and Walnut Creek police protection was superb. "Lucky" Baldwin and Jack Tait Radio Associates did a wonderful job. It is nice to labor, and then to see everyone (participants and spectators) pleased.

Sincerely,

Andrew MacCono

Race Chairman

Walnut Creek.

## District Fetes WC Toastmasters

Newly elected officers of District Toastmasters Club 598 of Walnut Creek attended the semi-annual District Educational Conference held at Arroyo High School in San Lorenzo Village, Monday.

They were President Roger Jernigan of 1899 Del Monte Court, Educational Vice President Bill Williamson of 5 Gary Way, Danville; Administrative Vice President Frank Curtis of 89 Moraga Highway, Orinda; Treasurer John Newstrom of 9 Wood Court; Secretary David Swanberg of Concord; and Sergeant-at-Arms Russ Lowrey of Walnut Creek.

The conference is held every six months to enable newly elected club officers to learn their duties and responsibilities. Representatives from all Toastmaster clubs in the East Bay area were invited to attend.

## Under The Sun

By Herman Silverman

### Kids who play with matches

Are you a "Progressive" parent? I was for a while but now have decided to return to the middle-of-the-road school in bringing up Mark, Dan and Janet. And this is what caused the change.

(Of course, Wife Eleanor has something to do with training the young ones, so I had better bring her into the act.)

We decided to follow the advice of a "Progressive" mother we know and train our kids to use matches. The theory, of course, is to take away their thrill and glamour by letting kids use matches until they tire of them.

So the "Progressive" Silvermans began the program. Hundreds upon hundreds of wooden matches were struck against the bricks in our "Progressive" play area. Boxes upon boxes of matches were used. But our guinea pigs hadn't heard the theory. They simply love the game and constantly ask to play it. And they burn their fingers every now and then.

We're going to explain to them that matches are not a game but only a part of their education. And our education, too.

### It is kick-off time . . .

Are your kids interested in football? Ours certainly are. They have been saving their allowance all year, so they can go to Big Game in November.

A big thrill is high school football. Our schools play a good brand of ball and it is a lot of fun for you and the youngsters. Why not pile into the car tonight and head for Acalanes. The Dons tackle Alhambra Bulldogs at 8. Both Las Lomas and Pleasant Hill play this afternoon but away from their own schools. If you can take in the afternoon games, Walnut Creek and Pleasant Hill provide good opportunities. Check the sports page of The Sun each week for details.

Soon we should be thinking about installing night lights on the fields of Pleasant Hill and Las Lomas. I note too that Miramonte High in Orinda is producing a freshman grid squad. It won't be long before there will be enough schools for a league almost within walking distance of each other.

### Where can they play?

Do we need playgrounds, parks or recreation centers? Answer the question with another question: How often do you see little and big kids playing in neighborhood streets because the empty spaces are being filled so rapidly?

For goodness sakes—let's drive extra careful in the neighborhoods—and not only in our own area but wherever we go. Remember, too, it is the parents responsibility to teach their children traffic safety. A large number of accidents are caused by kids running or bicycling into the street.

This is everyone's problem.

## Letters to The Editor

(Editor's note: Because of space limitations, the following letter is an abridgement of the letter submitted.)

Dear Editor:

After months of study we have come to realize that many dangerous generalizations are being made about particular land uses in relation to taxes and cost of government.

Our rural residential areas are being bombarded with press releases which apparently are timed to convince homeowners that large scale commercial ventures will bring about tax reductions. Residents are told that increased mercantile activity will in no wise change the character of their community.

Greenwich, Conn. (pop. 40,000) is one of the few communities if not the only community in the nation to actually do a balance sheet for every parcel of land in the town, weighing costs of government against taxes derived. The monumental study shows that in Greenwich single family residences actually DO pay more than their share of the costs of government. They return 66 per cent of the tax income but only 56 per cent of the cost of government (including schools) can be charged to them.

TO SAY THAT this proves that all homes pay their own way in local government would be foolish as a recent generalization to the effect that "homes can't provide a base for required government services."

Many factors must be taken into consideration, such as the kind of homes we are talking about and the amount of government services they require.

Low density housing with high market valuation coupled with limited demands for government services presents an entirely different economic picture than that exhibited by smaller lot tract housing with higher density population and greater demands for government services.

SOME INTERESTING studies are being made on the subject. One Contra Costa city has found through enacting a 1000 square foot larger minimum lot size ordinance with improved planning standards, the yearly deficit of government operating costs over revenue for an urban development could be cut 20.4 per cent.

The study pointed out that the capital outlay costs would also be cut by the better planned, larger lot size development, further augmenting the savings.

Builders were opposed to the larger lot size minimum and higher standards even though development costs were only increased by 2.9 per cent.

A recent Sun article made a comparison between San Mateo County and Contra Costa County. Miles of small lot, low value tract housing and little heavy industry has brought San Mateo County into financial straits.

That county estimates each new industry should have \$5000 of assessed valuation PER EMPLOYEE to make up the deficiency between the costs of government generated by the family of each employee and the assessment contributed by the residential property owned by the worker.

UNLESS WE KNOW what the capital investment per worker will be for an industrial office, a controlled manufacturing plant or other commercial venture, it is

impossible to generalize about its tax contribution. . . .

It is dangerous to generalize that what is good for one community is therefore good for another. Proponents of commercialization and industrial expansion into residential areas should produce a parcel by parcel economic study of the cost of government compared with property tax income in relation to classified property uses, such as was done in Greenwich.

Until they do so, their generalizations remain unsubstantiated and misleading.

Board of Directors, Contra Costa County Women's Planning Council

By Marian Tickner,

Secretary

Dear Editor:

The taxpayers of Contra Costa County are spending an average of approximately \$165,000 a year on planning, with some \$40,000 or \$50,000 of that amount going to the "master" plan. This sum, exceeding Los Angeles County's planning expenditures, percentage-wise, is spent by County Planning Director Thomas G. Heaton's department.

What is the background of experience and what practical work has been done by the members of Mr. Heaton's staff? Have they planned any vast developments? What financial risks have they taken in developing the resources of any community?

In other words, is the planning of Contra Costa County in the hands of realistic, trained people who are competent and experienced, and who are charged with substantial financial responsibility, or is it in the hands of a group of theorists who have obtained all their knowledge from text books and lectures?

In that department where not only confusion, but chaos exists, our young planners spend their time quizzing others with less experience than the planners themselves and with no training whatsoever.

While this method of "master" planning is under way, the many industries which would have provided jobs for our thousands of new residents tire of waiting. They move into neighboring counties. Their tax dollars replenish the treasuries of other counties in our area. Meanwhile, the individual taxpayer digs deeper into his pocket to pay higher taxes.

In addition, companies willing to pour millions of dollars into Contra Costa County are required to wait—maybe two years—maybe five—while the youthful planners review their text book theories and issue hearty assurances of a "master" plan to come.

G. H. Weise

President Association for the Progress and Improvement of Contra Costa County.

TV Series Presented On Christian Science

A nationwide television series is announced by the Christian Science Church. Telecasts of the filmed series may be viewed in this area on Sunday evenings at 7:30 on Station KQVR, Channel 13.
